Foreign Areas Studies Division, United States. Army, 1964 *Nigeria* J. Isawa Elaigwu, 2012-06-30 Nigeria has experienced different forms of crises and instability since she became independent on October 1 1960 The country has also been under different forms of rule from the Westminster

system of parliamentary democracy in the First Republic 1960 1966 to prolonged periods of military rule 1966 1979 1983 1999 to a presidential system of governance 1979 1983 1999 present During these periods there have been several contentious issues that appear to permanently put the country on the precipice In this collection of essays Isawa Elaigwu a professor emeritus of political science reflects on the country's painful political experiences arguing that it is necessary for Nigerians to understand the past and actively participate in the present in order to create a brighter future for the country The essays in the book therefore serve as the links between the country's yesterday and today as foundations for the future

grappling with the afterlife of environmental disasters and armed conflict and examines how people attempt to flourish despite and alongside continuing violence Departing from conventional approaches to the study of disaster and conflict that have dominated academic studies of Kashmir Omer Aijazi's ethnography of life in the borderlands instead explores possibilities for imagining life otherwise in an environment where violence is everywhere or atmospheric Drawing on

extensive fieldwork in the portion of Kashmir under Pakistan's control and its surrounding mountainscapes the book takes us to two remote mountainous valleys that have been shaped by recurring environmental disasters as well as by the landscape of no go zones army barracks and security checkpoints of the contested India Pakistan border Through a series of interconnected scenes from the lives of five protagonists all of whom are precariously situated within their families or societies and rarely enjoy the expected protections of state or community Aijazi reveals the movements flows and intimacies sustained by a landscape that enables alternative modes of life Blurring the distinctions between story theory and activism he explores what emerges when theory becomes a project of seeing and feeling from the non normative standpoint of those who like the book's protagonists do not subscribe to the rules by which most others have come to know the world Bringing the critical study of disaster into conversation with a radical humanist anthropology and the capaciousness of affect theory held accountable to Black studies and Indigenous studies Aijazi offers a decolonial approach to disaster studies centering not on trauma and rupture but rather on repair the social labor through which communities living with disaster refuse the conditions of death imposed upon them and create viable lives for themselves even amidst constant diminishment and world annihilation A Tragedy Without Heroes Hilary M. Graphic Sports Felix Abayateye, 2005-09-20 Nigeria's Fourth Republic, 1999-2021 Michael Nwankpa, 2022-11-18 This book reflects on Nigeria's fourth republic the country's longest democratic period since it gained independence from Great Britain It argues that although constitutional or political democracy has lasted for over two decades in Nigeria and seen three successful democratic changes of power Nigeria's democracy remains largely militarised During Nigeria's fourth republic political and socio economic affairs have been increasingly dominated by a pervasive military presence and ideology which has seen a redistribution of resources and government funds away from social programmes into an increase in security budgets weapons proliferation and internal military interventions and occupations This institutionalisation of violence has turned the country into a national security state where the rule of force and violence rather than dialogue and compassion reflect everyday reality Whilst acknowledging the history of militarisation during colonial and military rule this book makes a compelling argument for considering the distinct character of the Nigerian nation state's path to militarisation over the last 20 years of experimentation with democracy This book's fresh insights into the fourth republic's path to militarisation will be of interest to researchers of African politics security and development **Political Science Abstracts** IFI/Plenum Data
