**The Nigerian Army** N. J. Miners, 2023-12-20 Originally published in 1971 this book is an account of the development of the Nigerian Army in the critical ten years spanning independence It describes the transformation of a despised colonial defence force into a Nigerian army with a popularly recognized reputation On the eve of the first military coup the Army stood at the pinnacle of popular esteem It had been modernized and expanded had served with distinction in the Congo and elsewhere and all its officers were Nigerian The first half of the book traces the stages of this transformation and reveals the difficulties which had to be overcome The second part examines the increasing tension and political manoeuvring which exploded into the military coups of 1966 **Military-Media Relations in Post-Colonial Nigeria** Allwell Uwazuruike, 2023-12-02 This edited collection reviews the relationship and clashes between the military and the media in post colonial Nigeria The first section addresses the historical context and praxis of the military media relationship in Nigeria The chapters explore the military media modes of operations the prevailing political climate the military interregnums and milestones in Nigeria s media sector ethical and professional consideration for defence correspondence media ownership structures regulatory bodies media laws military media relations and the need for alternative media for military operations The second section deals with interventions impacts and influences of citizen journalists social media influencers online media online stakeholders artificial intelligence and social media platforms in shaping the media space narratives They also explore evolving challenges such as fake news and hate speech The key audience includes regional and international journalists and military organisations researchers academics NGOs governments and others interested in the history and future of military media relations in Africa **The Shipley Collection of Scientific Papers** ,1921 **The National Question in Nigeria** Abubakar Momoh, Said Adejumo, 2017-11-01 This title was first published in 2002 Addressing the burning questions confronting the Nigerian nation state today this book explores the diverse dimensions and voices apparent in the challenges surrounding the national question Highlighting a range of under researched and unexplored issues it theoretically and empirically examines key aspects of the national question discourse and debate in Nigeria The contributors bring wide and varied experiences to bear on the volume and employ both these experiences and the multidisciplinary approach to illuminate and enrich the issues under study The National Question in Nigeria identifies challenges that must be addressed if the nation is to survive and critical issues that have been left unresolved and now threaten the nation state It is essential reading for social scientists policy makers politicians NGO activists and all observers and students of Nigerian history and politics *NIPSS Essays: 1990-1996* Jacob Tsado, Funmi Para-Mallam, Dupe Omopintemi, 1997 **Media, Conflicts and the National Security Question** Abiodun Adeniyi, Paul A. Obi, Sani K. Usman, Ibrahim U. Yusuf, 2025-03-15 This book explores how the media and journalism in a cross disciplinary sense has treated conflicts in Nigeria West Africa and the Sahel Contributors connect theoretical foundations with practical experiences in the study of media conflicts and national security

seeking to unravel the mediated and communication logic s in news coverage and analyse the media s role in pre conflict in conflict and post conflict discourses The work maps out the impact of mediated narratives on security risk terrorism banditry and general society relying on local on the spot and ontological cultural experiences in Africa especially Nigeria Ghana Sierra Leone and other parts of West Africa **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1962 Nigerian Politics Rotimi Ajayi,Joseph Yinka Fashagba,2020-12-03 This volume engages in an in depth discussion of Nigerian politics Written by an expert group of Nigerian researchers the chapters provide an overarching Afrocentric view of politics in Nigeria from pre colonial history to the current federal system The book begins with a series of historical chapters analyzing the development of Nigeria from its traditional political institutions through the First Republic After establishing the necessary historical context the next few chapters shift the focus to specific political institutions and phenomena including the National Assembly local government and governance party politics and federalism The remaining chapters discuss issues that continue to affect Nigerian politics the debt crisis oil politics in the Niger Delta military intervention and civil military relations as well as nationalism and inter group relations Providing an overview of Nigerian politics that encompasses history economics and public administration this volume will be useful to students and researchers interested in African politics African studies democracy development history and legislative studies Paper[s] Presented to the 7th Annual Conference of Canadian Association of African Studies Held at the University of Sherbrooke Between May 3 and May 6, 1977 Canadian Association of African Studies,1977 **Nigeria, on the Eve of "change"** Karen Sorensen,1991 Recruiting, Drafting, and Enlisting Peter Karsten,2013-10-31 These five volumes concern one of the most important institutions in human history the military and the interactions of that institution with the greater society Military systems serve nations they may also reflect them Soldiers are enlisted they may also be said to self select Military units have missions they also have interests In an older more traditional military history while the second reflects a newer approach Although each statement in the pairs may be said to be true the former speak from the framework of the military sciences the latter from the framework of the social and behavioral sciences The military systems of our past differ from one another over time in political origins size missions and technological and tactical fashions but to a great extent their historical experiences have been more noticeably similar than they were different When we ask questions about the recruiting training or motivating of military systems or of those systems interactions with civilian governments and with the greater society as do the essays in these five volumes of reading on *The Military and Society* we are struck by the almost timeless patterns of continuity and similarity of experience In each of these volumes approximately half of the essays selected deal with the experience in the United States the other half with the experiences of other states and times enabling the reader to engage in comparative analysis *Expo '77* Vincent Chukwuemeka Ike,1991 *Insurgency and War in Nigeria* Akali Omeni,2019-12-12 Boko Haram is the major threat to the Nigerian state and has emerged as a destabilizing factor across sub Saharan Africa This is

now a major focus of global policy making as between 2013 and 2014 insurgency related deaths in Nigeria exceeded those in Iraq and Afghanistan This book is the first to focus on the military nature of Boko Haram the reasons for its success in those specific regions of the Chad basin it operates in and a detailed history of the Nigerian army s counter insurgency with whom uniquely the author has spent research time The book identifies and analyses the battles and skirmishes on the front line as well as unearthing a wider explanation for Boko Haram s military success and the causes of the instability in the region

Postcolonial Conflict and the Question of Genocide A. Dirk Moses, Lasse Heerten, 2017-07-06 This volume is the first comprehensive and balanced historical account of the momentous Nigeria Biafra war It offers a multi perspectival treatment of the conflict that explores issues such as local experiences of victims the massive relief campaigns by humanitarian NGOs and international organizations like the Red Cross the actions of foreign powers with interests in the conflict and the significance of the international public sphere in which the propaganda and public relations war about the question of genocide was waged

**Integrated Approaches to Peace and Sustainability** Ayyoob Sharifi, Dahlia Simangan, Shinji Kaneko, 2023-01-30 This book provides new insights into the development of integrated approaches to peace and sustainability in the era of global change Since the late 1980s and in order to regulate the increasingly detrimental impacts of humans on the environment the transition towards sustainability has been high on the agenda of researchers and policymakers alike Meanwhile peace considerations have expanded in recent decades to include the varied types and sources of conflict from inter state to intra state conflicts due to various social political economic and environmental factors Through providing theoretical and empirical insights this book demonstrates that sustainability and peace as intrinsically interrelated The book elaborates on the multi dimensional and constantly evolving concepts of sustainability and peace In addition the book contributes to a better understanding of the complex and dynamic interlinkages between peace and sustainability by presenting examples of pathways where sustainability and peace interact considering the different factors and contexts that are constantly shaping and reshaping the conditions for sustainable and peaceful societies *Federal Nigeria* ,1963

**Counter-Insurgency in Nigeria** Akali Omeni, 2017-09-08 This book offers a detailed examination of the counter insurgency operations undertaken by the Nigerian military against Boko Haram between 2011 and 2017 Based on extensive fieldwork conducted with military units in Nigeria Counter Insurgency in Nigeria has two main aims First it seeks to provide an understanding of the Nigerian military s internal role a role that today as a result of internal threats pivots towards counter insurgency The book illustrates how organizational culture historical experience institutions and doctrine are critical to understanding the Nigerian military and its attitudes and actions against the threat of civil disobedience today and in the past The second aim of the book is to examine the Nigerian military campaign against Boko Haram insurgents specifically plans and operations between June 2011 and April 2017 Within this second theme emphasis is placed on the idea of battlefield innovation and the reorganization within the Nigerian military since 2013 as the Nigerian Army and Air Force

recalibrated themselves for COIN warfare A certain mystique has surrounded the technicalities of COIN operations by the Army against Boko Haram and this book aims to disperse that veil of secrecy Furthermore the work s analysis of the air force s role in counter insurgency is unprecedented within the literature on military warfare in Nigeria This book will be of great interest to students of military studies counter insurgency counter terrorism African politics and security studies in general

*AF Press Clips* ,1984      **Landmine Monitor Report 2002** ,2002 Saint Kitts and Nevis      **Nigeria In Search Of A Stable Civil-military System** J. 'Bayo Adekson,2019-03-01 This book is a critical study of the evolution and conduct of military government as well as civil military relations in Nigeria since 1970 examining the essentially military clauses of both the draft and final Constitution drawn up for post 1979 Nigeria
