In chapters 1 and 2, a number of significant things happen to Elie Wiesel and the other Jews of Sighet. As you read this section, look for important events and for how people respond to them. List some key events in the Event column. In the Response column identify how Wiesel and the other Sighet Jews respond. In the third column, write what happens next in the story. Discuss whether or not the villagers' responses to events influenced, at least in part, events that followed.

This book focuses on how to implement everything so you can see quick, sustainable success. If you are looking for baby sleep solutions that involve gentle sleep training, this book is right on track for your needs. Sleep training means teaching your baby to sleep well.
