chemical and physical reactions simultaneously to the perfect amount No matter how sophisticated your brain is it does not have that capacity So what is really running your body To answer that question let us take a simple flower as an example We have all seen a flower grow around an obstacle turn and face its petals to the sun How does it do that It has no brain no nervous system and no muscles How does it know what to do All living organisms have an all knowing Lifeforce energy It is your Lifeforce that directs the physical tissue of your body to perfect function A prime example of this is the body s intestinal flora There have been many recent medical studies about the balance of the bacteria flora of the intestines and the overall health of a person What keeps the trillions of bacteria in line doing good things for the body A few hours after death if the body is out in the sun it will swell and stink The same bacteria that were doing positive things for the body when it was alive are now eating apart the body in death Without the Lifeforce to direct and control the bacteria it runs rampant There was a very recent one hundred seventy three million dollar study funded by the National Institute of Health and included two hundred eighty top scientists from eighty research institutions around the world The final result of this enormous scientific study was that healthy human beings coexist with at least ten thousand different species of dangerous and pathogenic microbes bacteria viruses fungus etc The study goes on to postulate and I quote It turns out that everybody harbors low levels of bacteria and other pathogens that are known for causing specific infections and diseases but when a person is healthy those bugs quietly coexist with benign or helpful microbes perhaps being kept in check by them Or perhaps kept in check by their balanced and fully functioning Lifeforce Lifeforce is who you are and it is the all intelligent energy behind the wondrous function of the body If your Lifeforce is balanced then the body will function to full capacity Using Applied Kinesiology the I Ching 7 Element Crystal concept and thirty years of experience I can detect imbalances in the Lifeforce energy To date we have had great success in treating and healing many difficult cases Our best results have been with allergy elimination Through 7 Element Lifeforce Healing I have been able to eliminate environmental and food allergies even serious peanut allergies without drugs not by blocking the symptoms but by alleviating the cause which is Lifeforce imbalance
