

Night Questions, Chapter 1

1. Elie, his family, and the Jewish people of his village refuse to give up hope that everything will turn out. They either ignore warning signs or try to make the best of things as events unfold. What are THREE examples of this?

2. Elie and his family have a few opportunities when they could have avoided their fate (the concentration camps). Give two examples of this. (Do not use events you already described in #1.)

3. To what extent do you agree with this statement? Explain.
