Chan, The King and the Queen of the Fairies are quarrelling and everyone around them must pay the price The Duke of Athens and his bride to be a company of hapless amateur actors two pairs of star crossed lovers no one is safe from the wicked eye and cunning spells of the King's impish servant Puck Not even the Queen herself Manga Classics brings you an easy to read version of A Midsummer Night's Dream with FULL ADAPTED MODERN ENGLISH text of Shakespeare's charming play coupled with lush visuals and fast paced comedy **The Square Jaw (Illustrations) (English Edition)** Henry Ruffin, André Tudesq, Example in this ebook PART I THE BATTLE OF THE ANCRE CHAPTER I THE IMPROMPTU VICTORY The Ancre Front 13th November You read the reports The names of the places that have been taken the calculations of the gains the numbers of the prisoners leave you cold Words words It is on the field of battle amidst the thunder of the guns and the magic glow of fires that one should read the bulletins of victory This evening a heady irresistible joy took possession of the Army The prisoners were pouring in The men were singing in their quarters Upon a front 3 1 2 miles wide and nearly 1 1 2 deep our Allies had broken the German lines on both sides of the Ancre They have been giving me details of the battle From hour to hour here in the midst of the troops I am being told the incidents of the fighting A risky privilege The despatches which come to us the despatch riders who at the utmost speed of their motor cycles bring us reports through the ruts and mud of the roads the messages of the telegraph everything has assumed a heroic quality A feverish joy quivers in every face Even the bell of the telephone follows strangely the measure of our heart beats We owe this victory to our quickness a Colonel tells me This battle was an impromptu The word is a picture It is absolutely right At six o'clock that is to say in the grey light of the morning after a short but annihilating artillery preparation the divisions posted in the first line dashed forward through the fog and drizzle The objective was three villages Beaumont Hamel and Beaucourt on the North bank of the river and on the South Saint Pierre Divion Let me tell you something of the country and its difficulties Swamps soggy undulations formed by the trenches and the convoys a wet clayey soil into which one sinks to the waist Mud everywhere Slime everywhere One must

slide down the funnels and holes that the shells have made Thus the waves of the assault gather for their onset The Germans had constructed defences formed of five lines of trenches each alternated with at least three rows of barbed wire entanglements The chevaux de frise and other obstacles covered in places a space over 200 yards wide On the one hand and on the other the banks of the Ancre ran up into bluffs like buttresses Since his failure of the 1st of July the enemy has cut among these natural protections deep trenches which wind along parallel to the course of the river He has also set up on the slopes powerful machine gun emplacements and blockhouses with mortars The English advance went like clockwork The secret had been well kept the evening before the troops of this sector were quite unaware that an advance was to take place An absolute determination inspired both officers and men The result of the attack was never in doubt The trenches were taken by storm together with those who manned them It was a veritable harvest of men The fourth line was taken at the point of the bayonet in eighteen minutes At eight in the morning we attacked the outskirts of the three villages Beaumont Hamel was the first to be taken with its garrison Before Beaucourt we were brought to a halt by machine gun fire Saint Pierre Divison was outflanked The artillery increased its range and cut short all counter attacks To be continue in this ebook
