Lame of Thrones The Harvard Lampoon, 2020-11-10 From Harvard's legendary humor publication comes an outrageous uproariously funny parody of Game of Thrones in the tradition of their previous bestselling parody book classics Bored of the Rings Nightlight and The Hunger Pains An affectionate but take no prisoners send up of the massive literary and television franchise Lame of Thrones offers fans a way of reentering the fictional world they have come to love and merrily explodes all of its conventions as well as their expectations of the characters to hilarious ends It may even leave you more satisfied than the actual TV ending of Game of Thrones In fact if it doesn't the Lampoon has really dropped the ball Lame of Thrones will take you to Westopolis where several extremely attractive egomaniacs are vying to be ruler of the realm and sit on the Pointy Chair Our hero Jon Dough was a likely bet but his untimely murder at the hands of his own men of the Night's Crotch has made that seem less likely Will Dragon Queen Denny's Grand Slam escape from her Clothkhaki captors and return to conquer the world Or will she just get left in the desert counting grains of sand for the rest of the book And what about Jon Dough's siblings Will they be mentioned Probably Almost definitely yes It would be weird if they weren't prominent characters in the book you say To find out read the book you wish George R R Martin would write but never will The Lampoon the place where such comedy writers and performers as Conan O'Brien Colin Jost B J Novak Patricia Marx Alan Yang Andy Borowitz and many more all got their start is ready to serve parody notice to the most entertaining infuriating and inescapable cultural phenomenon of the past decade
