journey as he fails to find employment and also fails to appreciate his wife's relative career success. Within this family vacuum, a potential problem with Stuart's eldest daughter goes unnoticed and Stuart is forced to reflect on his contribution to the family's predicament as it begins to degenerate towards dysfunction. A chance meeting leads to Stuart's life resuming some semblance of normality and effectively saves his family and thus his journey ends with a sense of optimism. 'Wonderful Tonight' is named after an Eric Clapton track popular on set lists of the time and usually played as a final number. A glossary of terms is included for the benefit of those who did not live through and experience the lifestyle of these times. A riveting good read in every sense. The South Norfolk magazine for light engineering brackets the creation of Clem as a subjugated and subliminal ultra ego or id as a literary masterpiece but possibly indicates the schizophrenic tendencies of the author himself.
