Nikon Coolpix P330: A Beginner's Guide Jacob Gleam, 2015-05-21. In recent years, Nikon has begun to develop and sell a new range of smaller high quality digital cameras that are fit for day to day usage. Though they are relatively new to this area of the camera world and despite the fact that sales for these models are on a general decline throughout the market, Nikon's products are quickly taking off and becoming some of the best sellers in the field. Some of the better models come from their Coolpix range which come in five different lines based on their use: A the flagship series, AW the all weather series, L the life series, P the performance series and S the style series. This book will focus entirely on one of the cameras in the P series, the Nikon Coolpix P330 which was first released in March of 2013. Read up on all of its incredible features and see what makes it the perfect fit for those looking to find a digital camera with amazing quality and the perfect compact size.
