Self-Publishing Shawn M. Tomlinson,2016-01-07 You ve done it You ve finished your novel or memoir or how to or poetry collection etc Sit back Breathe a sigh take a drink light a cigar You ve done it Now what Usually an author is so exhilarated by finishing a book that he or she doesn t really think about what s next Sure there are those dreams of every publisher knocking at your door starting a bidding war for your manuscript and your book becoming a best seller over night And that can happen It does occasionally but more often the hard work still is to come This book is not for those authors who get an agent who gets them editors who convince their publishers to publish their books This book is for those intrepid souls who decide the only way to maintain control over their books and or to make more money per book than with a traditional publisher is to self publish Digital SLR Cameras & Photography For Dummies David D. Busch,2014-10-13 The perennial DSLR bestseller now expanded with more photography tips Digital SLR Cameras exposure lenses and composition how to capture action portrait and low light shots editing and sharing images tips for improving your digital photography skills and much more Digital SLR cameras offer the mechanisms and flexibility of traditional pro level cameras with the instant results and output of digital cameras If you re a proud owner of a DSLR camera and want to take stunning shots that were once only achievable by the pros this is the guide you need Written by one of the most recognized authors in digital photography this accessible resource makes it fast and easy to start capturing professional quality photos Full color format helps bring the information to life Includes coverage of the latest DSLR cameras to hit the market Provides a foundation on exposure settings file formats and editing photos Offers expanded content on capturing the portraits action shots nature shots and night shots photographers love to take If you re interested in capturing more than just a selfie and truly want to hone the craft of digital SLR photography Digital SLR Cameras and Photography For Dummies sets you up for success *Vol. 03: The 12 Steps of Photography* Shawn M. Tomlinson,2018-03-22 Everybody gives out tips for better photography Well maybe not your boss or the guy who fixes your furnace although mine does but most photography websites forums and magazines fill their pages with tips for becoming a better photographer There s a reason there are so many tips out there photographers want them On the other hand we who have some little knowledge like to give them too Most people like to pass on what they ve learned I ve been a photographer for nearly four decades I ve published thousands of photographs I write a photography column Photo

Curmudgeon I love photography I read tips from other photographers often Sometimes I read something new or at least put in a new way so that it sparks an idea No one can tell you how to develop your photographer s eye Only you can figure that out What I can do is give you some pointers about how to develop your own photographer s eye and how to get better as a photographer

The (Almost) Complete Hitchhiker in Time Shawn M. Tomlinson,2015-11-07 The Hitchhiker in Time columns were the single most popular things ever written by Shawn M Tomlinson which honestly doesn t say all that much All together they appeared in fewer than 10 newspapers between 1988 and 2001 Well multiple copies of those newspapers of course The highest circulation was approximately 40 000 so not exactly Bob Greene levels Still Tomlinson had a following with these columns and to a great extent they hold up well today Either that or Tomlinson would like to think so Many of these columns appeared in chapbooks over the years but this is the first full collection of them to be in print Creative Workflow in Lightroom Jason Bradley,2016-03-02 Adobe s Lightroom has emerged as a must have software due to its powerful editing tools and time saving organizational capabilities but how you establish a personalized creative workflow that optimizes this technology your time and your art eludes most photographers Jason Bradley award winning photographer and Lightroom pro shares the answers to these questions in this practical and easy to follow guide that taps into the how and the why of a professional photographer s creative workflow in Lightroom Bradley will show you how all workflows can be simplified into three steps establishing managing and rendering the file alongside stunning photographs and explanations from his own experiences This book will not only teach you how to work within Lightroom but ultimately how to make Lightroom work for you
