Richards,2013-03-29 Mitch has always been a ladies man At a party however he gets aggressive with the wrong woman who casts a curse on him to become a woman himself He awakens to find three men leering at him and finds himself awash with new emotions and reluctantly doing things he never thought possible and enjoying every minute of it This story is intended for mature audiences only and features scenes of gender bending and magical sex swapping group sex with strangers sex with multiple partners oral facials and is 6200 words in length Excerpt My hands moved from my chest up a slender and lithe neck to my chin My delicate chin devoid of my normal neatly trimmed beard Trembling fingers moved across dainty cheekbones and finally through long and luxurious hair I snagged a handful and pulled it in front of my face my heart pounding with a frantic beat that rivaled the music of the party It was blond reaching down well past my shoulders Nothing

at all like my normal short and styled brown hair Oh my god I said and froze clapping my hands over my mouth My voice was musical Musical The three men towered over me throwing knowing glances at each other The leader reached down and grasped one of my hands pulling me to my feet I could see my smooth and delicate arms jutting from my t shirt ending in well manicured fingers that had been painted a tasteful azure My breath caught as I ran my other hand over my body across the gentle sway of my new hips and across a backside that a few hours ago I would have taken photos of and framed I clawed at my shirt and yanked it up displaying a large swath of perfect ivory skin Gone were the abs I d spent years on What the hell was going on here I was pulled down the hall in my stupor led by the hand as my thoughts raced frantically How had this happened You don t just turn into a woman
