Even mothers and fathers treat sons differently than their daughters. Boys get to do more things and when they do something wrong, they're excused with sayings such as "Boys will be boys." Anne Covey grew up in such a household and in this book, she takes a look at how chauvinistic men from all walks of life engage in shameful aggressive behavior to control women on a daily basis. She also examines the Good Old Boys Club, also known as the Old Boy Network. Whatever you choose to call it, this simple system in which wealthy men with the same social and educational background help each other, never does anything good. Find out what happens behind closed doors when men get together and how they continue to suppress and manipulate women in this guide to surviving and thriving while living in a man's world. **Motorboating - ND**, 1986-07.
