Snuff Spanish Edition:

Spanish Horror Film Antonio Lazaro-Reboll, 2012-11-20 An original new study of Spanish horror film *killing for culture* David Kerekes, David Slater, 2016-06-03 Unlike images of sex which were clandestine and screened only in private images of death were made public from the onset of cinema The father of the modern age Thomas Edison fed the appetite for this material with staged executions on film Little over a century later the executions are real and the world is aghast at brutalities freely available online at the click of a button Some of these films are created by lone individuals using shaky camera phones Luka Magnotta for instance and the teenagers known as the Dnipropetrovsk maniacs Others are shot on high definition equipment and professionally edited by organized groups such as the militant extremists ISIS KILLING FOR CULTURE explores these images of death and violence and the human obsession with looking and not looking at them Beginning with the mythology of the so called snuff film and its evolution through popular culture this book traces death and the artifice of death in the mondo documentaries that emerged in the 1960s and later the faux snuff pornography that found an audience through Necrobabes and similar websites However it is when videos depicting the murders of Daniel Pearl and Nick Berg surfaced in the 2000s that an era of genuine atrocity commenced one that has irrevocably changed the way in which we function as a society Female Corpses in Crime Fiction Glen S. Close, 2018-10-10 This book examines the central significance of sexualized female corpses in modern and contemporary Hispanic and Anglophone crime fiction Beginning with the foundational detective fictions of the nineteenth century it draws from diverse subgenres to describe a transatlantic tradition of necropornography characterized by lascivious interest in female cadavers dissection morgues femicide and snuff movies Hard boiled and police procedural classics from the U S and the U K are juxtaposed with texts by established Spanish and Spanish American genre masters and with obscure works that prefigure the contemporary transmedial boom in corpse centered fictions The rhetoric and aesthetics of necropornographic crime fiction are related to those of popular crime journalism and forensic science television dramas This study argues that crime fiction has long fixated disproportionately on the corpses of beautiful young white women and continues to treat their deaths and autopsies as occasions for male visual pleasure male subjective self affirmation and male homosocial bonding *Casanova* Laurence Bergreen, 2016-11-01 Sexy surprising funny insightful and wildly entertaining Huffington Post the definitive biography of Giacomo Casanova the impoverished boy who became the famous writer notorious libertine and self invented genius in decadent eighteenth century Europe Today Casanova is a synonym for great lover yet the real story of this remarkable figure is little known A figure straight out of a Henry Fielding novel Giacomo Casanova was erotic brilliant impulsive and desperate for recognition a self destructive genius Over the course of his lifetime he claimed to have seduced more than one hundred women among them married women young women in convents girls just barely in their teens women of high and low birth alike Abandoned by his mother an actress and courtesan Casanova was raised by his illiterate grandmother coming of age in a Venice filled with

spies and political intrigue He was intellectually curious and read forbidden books for which he was jailed He staged a dramatic escape from Venice s notorious prison I Piombi the only person known to have done so He then fled to France ingratiated himself at the royal court and invented the national lottery that still exists to this day He crisscrossed Europe landing for a while in St Petersburg where he was admitted to the court of Catherine the Great He corresponded with Voltaire and met Mozart and Lorenzo da Ponte assisting them as they composed the timeless opera Don Giovanni And he wrote what many consider the greatest memoir of the era the twelve volume Story of My Life Laurence Bergreen s Casanova recounts this astonishing life in rich intimate detail and at the same time paints a dazzling portrait of eighteenth century Europe filled with a cast characters from serving girls to kings and courtiers great fun for any history lover Kirkus Reviews
