Metaphors Stefan Jung, Volker Kessler, Louise Kretzschmar, Elke Meier, 2019-06-17 Führung und Organisation sind komplexe Phänomene die oftmals durch Metaphern beschrieben werden Zunehmend interessieren sich Theorie und Praxis für ihre Verwendung Wie sehen sich Führungskräfte selbst und wie werden sie von anderen metaphorisch beschrieben Gängige Sprachbilder reichen vom Gärtner und Coach bis hin zum Macher oder Priester Alle diese Bilder sollen helfen die zugrunde liegende Sichtweise auf Führung und Organisation zu beschreiben und geben einen Einblick wie Führung von unseren metaphorischen Weltbildern beeinflusst wird Wenig Aufmerksamkeit erfuhren bisher kulturelle Unterschiede bei der Verwendung von Metaphern im Bereich Führung und Organisation Wie können wir die verborgenen Metaphern die unser Denken unterbewusst prägen an die Oberfläche bringen Wie können wir alte Metaphern der Führung in einer modernen und globalisierten Welt nutzen Der vorliegende Band dokumentiert die zentralen Ergebnisse einer interdisziplinären Konferenz zu Metaphern und Führung an der Wissenschaftler und Wissenschaftlerinnen aus Afrika Asien Europa und Nordamerika teilgenommen haben Metaphors are used increasingly in leadership theory and leadership development How do leaders view themselves and how are they seen by others in terms of metaphors One can find a wide range described in publications and on coaching websites They range from gardener and coach to manager or priest They all help describe the underlying view on leadership and give insight into how leadership is influenced by our metaphorical view of the world However little work has been done on describing the influence of cultural perspectives in metaphors used in the area of leadership and organisations How can we bring to the surface the hidden metaphors that shape our thinking subconsciously How can we utilise old metaphors of leadership in a new and globalised world This volume documents the central results of an interdisciplinary conference on metaphors and leadership in which scientists from Africa Asia Europe and North America took part Introducing Metaphor Murray Knowles, Rosamund Moon, 2004-08-02 Adopting a multi disciplinary approach the book provides a thorough grounding in metaphor and word meaning theories on the processing and understanding of

metaphorical language and metaphor in other languages and translation Rosamund Moon and Murray Knowles draw on a wide selection of material to explore metaphor in relation to text discourse and society Linguistic metaphor and literary metaphor are examined across a range of contexts such as politics sport and advertising whilst literary metaphor is demonstrated through authentic extracts from fiction and poetry A final section covering non verbal metaphor looks at metaphor in art cinema and music

Global Perspectives on Soccer and the Media and Entertainment Industry Endong, Floribert Patrick C.,2024-12-02 Soccer has increasingly become a political tool worldwide reflecting and influencing ideologies identities and movements despite claims of being apolitical by bodies like FIFA Historic and recent examples such as fascist propaganda in the 1930s and the LGBTQ protests during the 2022 World Cup highlight its political impact The sport also fuels cultural production inspiring media music and artistic works that engage with its socio political dimensions However the intersection between soccer s political influence and its representation in arts and media remains unexplored prompting a closer examination of this dynamic *Global Perspectives on Soccer and the Media and Entertainment Industry* provides different perspectives on the interactions between political soccer and global media and entertainment industries These perspectives are historical religious socio cultural and political among others Covering topics such as international politics social media and visually impaired players this book is an excellent resource for media practitioners policymakers international relations experts politicians academicians researchers and more

God Particle Leon Lederman,Dick Teresi,2006-06-26 A Nobel Prize winning physicist s funny clever entertaining account of the history of particle physics and the hunt for a Higgs boson Library Journal In this extraordinarily accessible and witty book Leon Lederman the most engaging physicist since the late much missed Richard Feynman San Francisco Examiner offers a fascinating tour that takes us from the Greeks earliest scientific observations through Einstein and beyond in an inspiring celebration of human curiosity It ends with the quest for the Higgs boson nicknamed the God Particle which scientists hypothesize will help unlock the last secrets of the subatomic universe This is not only an enlightening journey through baryons and hadrons and leptons and electrons it also may be the funniest book about physics ever written The Dallas Morning News One of the clearest most enjoyable new science books in years explains the entire history of physics and cosmology En route you ll laugh so hard you won t realize how much you are learning San Francisco Examiner The story of the search for the ultimate constituents of matter has been told many times before but never with more verve and wit His hilarious account of how he helped persuade President Reagan to approve the construction of the Super Collider is itself worth the price of the book Los Angeles Times

Language and Linguistics Maya Safhida, dkk,2022-10-27 Indonesia is a pluralistic nation consisting of various ethnic groups throughout the country Each tribe has its own language to communicate both among ethnic and inter ethnic groups Language has an important role as a means of communication for humans to convey their intentions and ideas and express themselves in interactions in society The Acehnese language is one of the regional languages in Aceh Province one of the provinces out of 37 provinces in Indonesia This language is one of the languages with the largest number of speakers in the province It dominates in the acquisition of the language of the people in Aceh However until now few people know about the fundamentals of the Acehnese language Structurally the Acehnese language has many unique features One of its uniqueness is the phonological aspect or the sound of the language The Acehnese language has a higher number of phonemes when compared to other regional languages in Aceh even Indonesian Another of its uniqueness for example is in the aspect of vocabulary and how some word differences are seen in the varieties of Acehnese spoken throughout the province country and even those speakers who reside in other countries There are also many social factors in Acehnese society that affect the meaning of a particular word or phrase in this language Therefore we had invited researchers and practitioners to contribute to writing the book The Acehnese Language and Society as part of the Universitas Syiah Kuala Press Book Series Language and Linguistics **Postcolonial Approaches to Latin American Children's Literature** Ann González,2018-01-31 In this volume Gonz lez explores how the effects of a traumatic colonial experience are re presented to Latin American children today almost two centuries after the dismantling of colonialism proper Central to this study is the argument that the historical constraints of colonialism neocolonialism and postcolonialism have generated certain repeating themes and literary

strategies in children's literature throughout the Spanish speaking Americas From the outset of Spanish domination fundamental tensions emerged between the colonizers and native groups that still exist to this day Rather than a felicitous mixing of these two opposing groups the mestizo is caught between contrasting worldviews contending explanations of reality and different values beliefs and epistemologies that is different ways of seeing and knowing Postcolonial subjects experience these contending cultural beliefs and practices as a double bind a no win situation in which they feel pressured by mutually exclusive expectations and imperatives Latin American mestizos therefore are inevitably conflicted Despite the vastness of the geography in question and the innumerable variations in regional histories oral traditions and natural settings these contradictory demands create a pervasive dynamic that penetrates the very fabric of society showing up intentionally or not in the stories passed from generation to generation as well as in new stories written or adapted for Spanish speaking children The goal of this study therefore is to examine a variety of children's texts from the region to determine how national and hemispheric perceptions of reality identity and values are passed to the next generation This book will appeal to scholars in the fields of Latin American literary and cultural studies children's literature postcolonial studies and comparative literature

Routledge Encyclopedia of Narrative Theory David Herman, Manfred Jahn, Marie-Laure Ryan, 2010-06-10 The past several decades have seen an explosion of interest in narrative with this multifaceted object of inquiry becoming a central concern in a wide range of disciplinary fields and research contexts As accounts of what happened to particular people in particular circumstances and with specific consequences stories have come to be viewed as a basic human strategy for coming to terms with time process and change However the very predominance of narrative as a focus of interest across multiple disciplines makes it imperative for scholars teachers and students to have access to a comprehensive reference resource
