Age Groups / Divisions:

Please note that whilst we intend to run as many as 2 divisions this season, their definitions will depend upon registrations received. Our intention is to run the following programs:

Junior Indoor Soccer (Ranged from U8's to U14's Competitions – dependant on number of teams interested) – Team oriented indoor soccer tournament with standard indoor soccer rules applied (no one allowed in the goalkeepers prohibited area, ball not allowed to touch the roof, no outs.). Teams will compete against each other each week with the top 2 teams playing off in the grand final at the end of the term. Fixtures will be dependant on the number of teams we get registered, and the teams will then get split into divisions based on their age group. The Youngest age groups will be commencing at 4pm, with the rest of the games ranging up until 7pm. Each game will go for around 30 minutes each.

Any child wishing to nominate for a different age group are welcome to do so. We hope to expand the program next season to cater for a variety of age groups. Expressions of interest are most welcome.

The Management of Enterprises in the People's Republic of China Anne S.

Tsui, Chung Ming Lau, 2012-12-06 *The Management of Enterprises in the People's Republic of China* aims to contribute to the knowledge base of management within the Chinese context. The book begins with a mapping of research on management in PRC and offers theoretical insights for cross context institutional and behavioral studies. It then reports the results of fourteen empirical studies of management issues in the PRC firms. The issues studied include SOE transformation, globalization, governance, employment relationships, managerial networks, corporate culture and leadership. Also included are studies on the knowledge management process and management team characteristics of high technology firms. The methods of study include large scale surveys, case studies and interviews. The contributors are international experts in Chinese management research. Finally, we offer executive perspectives on several successful firms operating in China through interviews with their CEOs.

Principles and Practice of Sport Management Lisa Pike Masteralexis, Carol A. Barr, Mary A. Hums, 2009 Updated and expanded *Principles and Practice of Sport Management* Third Edition offers a comprehensive introduction to the sport management industry. From the basic knowledge and skill sets of a sport manager to the current trends and issues of the sport management industry, this text provides the foundation for students as they study and prepare for a variety of sport management careers. Many well known sport industry professionals contribute chapters that show students how to apply their new knowledge and skills. These experts provide firsthand advice on sport industry segments ranging from high school to the international arena. Students gain a solid understanding of sport management structures and learn to apply principles such as sport ethics to the many segments and support systems of the industry. Book Jacket
