to bring Enterprise 2.0 to life and have it affect company bottom lines *Managing Public Relations and Brand Image through Social Media* Singh, Anurag, Duhan, Punita, 2016-05-16 Each consumer now has the power to be a journalist reviewer and whistle blower. The prevalence of social media has made it possible to alter a brand's reputation with a single viral post or spark a political movement with a hashtag. This new landscape requires a strategic plasticity and careful consideration of how the public will react to an organization's actions. Participation in social media is mandatory for a brand's success in this highly competitive online era. *Managing Public Relations and Brand Image through Social Media* provides the latest research and theoretical framework necessary to find ease in the shifting public relations and reputation management worlds. It provides an overview of the tools and skills necessary to deftly sidestep public affronts and to effectively use online outlets to enhance an organization's visibility and reputation. This publication targets policy makers, website developers, students and educators of public relations, PR and advertising professionals and organizations who wish to better understand the effects of social media.

Social Media Strategy Kamales Lardi, Rainer Fuchs, 2013 The Social Media Strategy Framework presented in this book offers a unique and comprehensive end-to-end approach. It takes a company from the point of understanding the value of social media for business to the point of implementing a solution that meets its business needs. The Framework is distinguished by several elements. It focuses on building a sustainable use for social media along the business value chain. It aligns with company strategic objectives and business context. It identifies key elements to create a strong foundation for social media use in the company. It separates internal and external social media uses. It is NOT a technology implementation. Additionally, the case studies presented in this book and on the corresponding website highlight successful social media implementation in business by companies in Europe.

Research Anthology on Social Media Advertising and Building Consumer Relationships Management Association, Information Resources, 2022-05-13 Social media has become a key tool that businesses must utilize in all areas of their practices to build relationships with their customer base and promote their products.
