

DEVIANT BEHAVIOR IN SOCIOLOGY

"Deviant behavior refers to conduct that departs significantly from the norms set for people in their social statuses" (Merton, 1966, p. 805).

FORMAL DEVIANCE

Deviance that breaks the law.

Examples:

- 1 Theft
- 2 Speeding in your car
- 3 Vandalism
- 4 Tax evasion
- 5 Bribery
- 6 Gang violence

INFORMAL DEVIANCE

Deviance that contravenes social norms.

Examples:

- 1 Swearing at your teacher
- 2 Cheating in an exam
- 3 Breaking taboos
- 4 Hunger strikes
- 5 Rudeness
- 6 Speaking out of turn

Sociology Of Deviant Behavior

Addrain Conyers, Thomas C. Calhoun

Sociology Of Deviant Behavior:

Sociology of Deviant Behavior Marshall B. Clinard, Robert F. Meier, 2010-03-24 SOCIOLOGY OF DEVIANT BEHAVIOR has been the market leading deviance criminology textbook for more than 40 years by combining timely research findings and updated data with solid sociological analysis Designed to appeal to today's students the 13th edition examines topics with relevance justified deviance like terrorism political crime including electoral crime and cultural and social reactions to deviance In addition each chapter begins with new outlines and Internet resources contains bolded key terms throughout and ends with discussion questions and a glossary Important Notice Media content referenced within the product description or the product text may not be available in the ebook version Sociology of Deviant Behavior Marshall Clinard, Robert

Meier, 2007-02-14 Looking for a textbook with simplified terminology and endless study helps SOCIOLOGY OF DEVIANT BEHAVIOR hits the hot topics from terrorism to white collar crime and shows you how sociological theory explains them Now in its 13th edition this textbook continues to be the best of its kind on the market After you use its study guides and get the grade you need you'll see why Important Notice Media content referenced within the product description or the product text may not be available in the ebook version *Sociology of Deviant Behavior* Marshall Barron Clinard, Robert Frank

Meier, 1979 **Sociology of Deviant Behavior + Mindtap Sociology, 1 Term 6 Months Access Card, Enhanced**, 2018

Sociology of Deviant Behavior Marshall B. Clinard, Robert F. Meier, 2003-07 This text has been the market leader for more than 40 years It continues its popularity due to its thorough updating of data facts and figures while retaining the basic focus on solid research findings through a sociological point of view Designed to appeal to today's students the 12th edition examines topics with relevance for today cultural and social reactions to deviance the growing interest in white collar and corporate crime and the importance of the Internet and computer communications in changing views on deviance in modern life **On the Sociology of Deviant Behavior** Charles W Wright, Richard E Hilbert, 2020-07 The following compendium

consists of seven chapters All of these statements focus upon the theoretical developments and controversies associated with the theory of crime and or deviance that developed in the United States in the mid to late twentieth century The theories and controversies remain salient in the sociological analysis of deviance crime and delinquency to this day The authors hope and believe that this compilation will be valuable to professors and students of upper level undergraduate courses and those pursuing advanced sociological degrees and careers in sociology as well as providing a sharper understanding of the comparative analysis of sociological theory Their aim is to reveal that at each stage of the development of sociological understanding and knowledge theory matters **Deviant Behavior** Delos H. Kelly, Edward J. Clarke, 2002-05-31 Through a

series of 45 carefully selected readings 20 new to this edition Deviant Behavior explores the ramifications of deviance for both the individual and society examining the responses of society to deviant behavior and the reasons why certain people violate the social norm Overall the text probes the establishment and maintenance of deviant categories the motivations

behind deviant behavior the formal and informal labelling of individuals and particular segments of society as deviant the effects of institutionalization the efforts of those considered deviant to shake the label and the way deviant categories and structures can be altered

Deviant Behavior J.A. Humphrey, S. Palmer, 2013-06-29 This book is for the student in the introductory course on deviant behavior and in related courses A wide range of ideas and facts is set forth in a way that should be comprehensible to the student without prior knowledge of this area of study In Chapter 1 The Nature of Deviance various ways of defining deviance are explored and one is settled upon Deviance is behavior that is unusual not typical in a society or group Chapter 2 is devoted to a preliminary consideration of several main currents of social thought that seek to explain why deviance comes about and is perpetrated These explanations fall into four broad theoretical categories First there are those theories that view the major sources of deviance as having to do with the extent to which individuals are bound into or dissociated from the group these are termed social integration theories Second there are the cultural support theories which specify that there are subcultures of deviance that embody customs and values that advocate a given form of deviance and are socially transmitted from one person to another through the learning process Third there are social disorganization and conflict theories which focus on the ways in which a lack of group organization and the presence of broad social and cultural conflicts bring about deviance

Deviant Behaviour Clifton D. Bryant, 2014-09-03 A comprehensive set of readings examining the full range of concerns in the field of deviant behaviour All the selections are relatively recent and have not appeared in other anthologies

Deviant Behavior Erich Goode, 2015-08-20 *Deviant Behavior* 10 e by Erich Goode provides a comprehensive study of the behavior beliefs conditions and reactions to deviance giving students a better understanding of this phenomenon Deviance is discussed from the sociological perspectives of positivism and constructionism Readers will grasp the reason behind deviant behavior through the positivist perspective and why certain actions beliefs and physical characteristics are condemned through the constructionist perspective

Sociology of Deviant Behaviour Clinard, 2010 **Contemporary Social Problems** Robert King Merton, Robert A. Nisbet, 1961

Deviant Behavior Edward J. Clarke, 2007-11-06 These readings explore the implications of deviance for both the individual and society examining the responses of society to deviant behaviour and the reasons why certain people violate the social norm The text probes the deviant categories the motivations behind deviant behaviour and the efforts of those considered deviant to shake the label

Deviant Behavior Alex Thio, 1978 *The Generality of Deviance* Travis Hirschi, 2018-01-16 First Published in 2018 The Generality of Deviance advances the idea that all forms of deviant criminal reckless and sinful behavior have one thing in common the tendency to pursue immediate benefits without concern for long term costs The editors argue and the contributors confirm that such disparate behaviors as smoking auto accidents burglary and rape are similar in that they all involve disregard for their inevitable consequences poor health injury loss of freedom shame or disrepute The chapters here show how various forms of deviance relate to one another and can be explained by a

common theory involving self management The editors illustrate how the idea of self control challenges the psychological concept of aggression and provides a more useful alternative for understanding deviant behavior They also apply the theory to the family showing how this institution is central to crime control Other contributors bring fresh perspectives to a variety of topics the uncanny similarities between victims of car accidents and perpetrators of crime the connection between drugs and crime feminist explanations of rape gender differences in crime rates drunk drivers among high school students and the progression of a delinquent s life from adolescence to adulthood In short this book makes a convincing case that it is a waste of intellectual effort and public funds to treat different forms of crime and deviant behavior as distinct problems Studied collectively various crimes may be seen to have the same causes and hence one cure The Generality of Deviance will be a significant and provocative addition to the libraries of criminologists psychologists and sociologists those attempting to solve as well as to identify problems **Deviant Behavior** Ronald L. Akers, Deviance and Social Control Michelle

Inderbitzin,Kristin A. Bates,Randy R. Gainey,2020-07-23 Deviance and Social Control A Sociological Perspective provides a sociological examination of deviant behavior in society with a significant focus on the major sociological theories of deviance and society s reaction to deviance using readings from classic and current research *Deviant Behavior* Delos H.

Kelly,1979-01-01 *Encyclopedia of Social Deviance* Craig J. Forsyth,Heith Copes,2014-01-21 Social deviance does not involve just criminal behavior it s any behavior that violates a cultural norm and that can involve something as minor as consistently and deliberately wearing lively mismatched socks Moreover whether a crime a sin or simply unique taste what s considered deviant at one time and place can change as when extensive tattooing and body art evolved from a sideshow carnival spectacle to a nearly universal rite of passage within U S culture Drawing contributions from across the social and behavioral sciences including sociology anthropology criminology politics psychology and religion the Encyclopedia of Social Deviance introduces students to this lively field of rule making and rebellion that strikes at the core of what it means to be an individual living in a social world Key Features More than 300 articles are organized A to Z in two volumes available in both electronic and print formats Articles authored by key figures in the field conclude with cross reference links and further readings Although organized A to Z a thematic Reader s Guide groups related articles by broad areas e g Concepts Theories Research Methodologies Individual Deviance Organizational Deviance etc as one handy search feature on the e Reference platform which also includes a comprehensive index of search terms **Deviance Today** Addrain Conyers,Thomas C.

Calhoun,2020-11-04 The second edition of Deviance Today is a contemporary collection of original chapters in the field of deviant behavior This new edition has 16 new chapters All of the chapters reflect the current trend in the sociology of deviance This reader covers major theories in the sociology of deviant behavior from classic ones such as anomie strain theory and labeling theory to modern ones such as life course perspective In addition this anthology encompasses a wide spectrum of deviant behaviors This is a user friendly reader put together with students in mind The chapters are not only

authoritative but also interesting The chapters were written by respected experts in their field of study Most important unique to this reader these chapters have been carefully written for clarity conciseness and forcefulness Students will therefore find them easy and enjoyable to read while learning about deviance
