Dear Parents,

We are working on a science unit about the solar system. As part of the unit, your child will need to complete a project of his/her choice and bring it to school on Friday, November 13th. For this project, your child may choose to work alone, with a partner, or in a group of three. Projects will be presented to the class on the 13th. All projects must include some type of write-up to show use of figurative language and at least one text feature. (chart, graph, caption, etc.) The projects can be completed about the entire solar system or about one planet of the student's choice. Project choices are as follows:

- 3D solar system or planet
- Poster
- Slideshow
- Written report (read to class)
- a play
- Fiddle-book
- Poem
- Solar system fact book
- a song or a rap about the solar system or one planet

Guidelines are pretty loose on this- we only require that the students fulfill the rubric (which is included on the back of this letter.)

Sincerely,

Solar System Projects Parent Letter

Michael Brown
