Propaganda and Public Relations in Military Recruitment Brendan Maartens, Thomas Bivins, 2020-11-19 This book represents the first international investigation of military recruitment advertising public relations and propaganda Comprised of eleven case studies that explore mobilisation work in Africa the Americas Asia and Europe it covers more than a hundred years of recent history with chapters on the First and Second World Wars the Cold War and the present day The book explores such promotion in countries both large and small and in times of both war and peace with readers gaining an insight into the different strategies and tactics used to motivate men women and occasionally even children to serve and fight in many parts of the world Readers will also learn about the crucial but little known role of commercial advertising public relations and media professionals in the production and distribution of recruitment promotion This book the first of its kind to be published will explore that role and in the process address two questions that are central to studies of media and conflict how do militaries encourage civilians to join up and are they successful in doing so It is a multi disciplinary project intended for a diverse academic audience including postgraduate students exploring aspects of war propaganda and public opinion and researchers working across the domains of history communications studies conflict studies psychology and philosophy

Becoming a Migrant Worker in Nepal Hannah Uprety, 2022-09-01 High profile events such as the 2022 FIFA World Cup in Qatar have made one thing abundantly clear Much of today s economic growth would be unthinkable without the low wage employment of migrant workers But which cultural economic and political infrastructures in the source countries make these types of migration possible in the first place Based on multi sensory ethnographic research in Nepal Hannah Uprety retraces the practices of recruitment and instruction that step by step transform Nepali labor into an internationally marketable commodity In doing so she uncovers a migration regime that effectively turns local men and women into migrant workers before they even leave the country **"Code of Massachusetts regulations, 2014"** ,2014 Archival snapshot of entire looseleaf Code of Massachusetts Regulations held by the Social Law Library of Massachusetts as of January 2020

Research Handbook on Child Soldiers Mark A. Drumbl, Jastine C. Barrett, 2019 Child soldiers remain poorly understood and inadequately protected despite significant media attention and many policy initiatives This Research Handbook aims to redress this troubling gap It offers a reflective fresh and nuanced review of the complex issue of child soldiering The Handbook brings together scholars from six continents diverse experiences and a broad range of disciplines Along the way it unpacks the life cycle of youth and militarization from recruitment to demobilization to return to civilian life The overarching aim of the Handbook is to render the invisible visible the contributions map the unmapped and chart new directions Challenging prevailing assumptions and conceptions the Research Handbook on Child Soldiers focuses on adversity but also capacity emphasising the resilience humanity and potentiality of children affected rather than afflicted by armed conflict

Congress. House. Committee on Foreign Affairs. Subcommittee on Africa, Global Health, Global Human Rights, and International Organizations, 2015 *Representations of Child Soldiers in Contemporary African Narratives* Ademola Adesola, 2024-09-11 In *Representations of Child Soldiers in Contemporary African Narratives* Ademola Adesola examines the dominant factors that writers privilege in their portrayals of child soldiering in sub Saharan Africa In his textual interpretive analyses of selected novels in the African child soldier genre Adesola contends that critical discussions of African child soldier literature have depended on the interpretive frameworks supplied by Western humanitarian discourses which oversimplify and de historicize experiences of war in Africa The author argues that such reductive decontextualization of war realities serve to champion a narrow vision of war in African contexts centered on a moral and humanitarian urge for Western intervention Regardless of whether the casus belli legitimating those wars are genuine or not those conflicts and children s involvement in them are understood within the same racist colonial and ethnocentric stereotypes about Africa that have been privileged in Western thought and the Western moral political imagination for centuries Thus in studying African child soldier narratives this book provides an alternative reading of novels whose settings feature African ethnopolitical conflicts such as in Sierra Leone Liberia Congo Brazzaville Nigeria notable for their exploitation of children for military ends The author maintains that these works are significant in the varying ways they reify and challenge the Western ideas of child and childhood as well as privilege child soldiers as social actors whose intricate makeups disavow being simply understood as innocent victims or irredeemable perpetrators of atrocities **Special Warfare**, 2013 *Organisational Learning and the Modern Army* Tom Dyson, 2019-07-08 Drawing upon extensive original research this book explores best practice in army lessons learned processes Without the correct learning mechanisms military adaptation can be blocked or the wider lessons from adaptation can easily be lost leading to the need to relearn lessons in the field often at great human and financial cost This book analyses the organisational processes and activities which can help improve tactical and operational level learning through case studies of lessons learned in two key NATO armies that of Britain and of Germany Providing the first comparative analysis of the variables which facilitate or impede the emergence of best practice in military learning it makes an important contribution to the growing scholarship on knowledge management and learning in public organisations It will be of much interest to lessons learned practitioners and students of military and strategic studies defence studies organisation studies and security studies *Human Trafficking* Alexis A. Aronowitz, 2017-02-24 Offering an up to date and comprehensive resource for students and general readers investigating human trafficking this book examines the phenomenon in its many forms the factors contributing to its existence the victims it affects and those who perpetrate this horrific crime The horrific reality is that millions of human beings are bought and sold every year worldwide Human trafficking is not an obsolete practice and these crimes are not rare in occurrence Recent examples of human trafficking such as the abduction of hundreds of Nigerian schoolgirls by the terrorist organization Boko Haram and depictions of trafficking in

films such as Taken have brought human trafficking squarely into the public eye This book offers a comprehensive understanding of human trafficking in its many forms It examines the traffickers who range from single operators to large transnational organizations and investigates how they coerce deceive and exploit their victims in the domestic service farming construction and sex industries as well as in the harvesting of organs The coverage includes common practices of human trafficking like sexual exploitation of women in Western and Central Europe labor exploitation in the Middle East and the exploitation of children in Western and Central Africa Readers are introduced to various experts who have rescued and worked with victims prosecuted cases and conducted research to gain more insight into this crime and serious abuse of human rights and they will gain insight into how a number of people and organizations are working to combat human trafficking and protect victims Primary source documents that include reports by government international organizations and NGOs serve to aid readers in acquiring more knowledge on the topic
