North (#3, History Interrupted) Lizzy Ford, 2017-06-27 The past is waiting Josie Jackson is whisked further into the past to the era of Vikings and the almost eternal winters of Norway Carter the mastermind behind her foray through time reveals that she'll be remaining there for six years assuming she survives the first winter To complicate matters Josie has an unexpected health condition one that threatens her life more than the frigid cold Viking raids and wild animals After uncreating Taylor and leaving Batu in the Mongol era Josie wants nothing to do with any other man especially not the Viking warrior she's engaged to shortly after dropped into a fjord in front of his village Not everyone is as he seems in this era from her reluctant new husband to the mystic scorned by the rest of the village whose futuristic visions are too accurate to be divine to Carter the evil genius who's tormented her through three eras of history When she finally learns the truth behind why he chose her she understands too well what the stakes of this game really are **Epic Teen Fiction** Lizzy

Ford, 2017-04-25 **The Door** Lizzy Ford, 2016-02 There's only one rule Never lock the door Gianna believes manual labor to be penance for the mistake that changed her life Nothing can be worse than serving probation under the supervision of a bitter elderly woman known as the Caretaker running a bed and breakfast in the middle of the Arizona desert Then the strangers begin arriving They appear every night at sundown at the end of the driveway and vanish early in the morning armed men and women who don't quite look or act normal and never travel in vehicles despite the property being twenty miles from town Where they come from baffles Gianna as does the single rule the Caretaker gives her The front door must remain unlocked and the house accessible to the dangerous visitors no matter how unusual or frightening they are When one of them arrives wounded Gianna helps save him and unknowingly makes a powerful friend one from a very faraway place In fact from another world entirely the world that starts at the end of the driveway Before she can learn more Gianna is left alone with the strangers and must choose whether she'll take over the Caretaker's role as hostess or return to New York and risk jail time for violating her probation Gianna defies the Caretaker and locks the front door instead Her world will never be the same Includes both novellas **Esme Novella Trilogy** Lizzy Ford, 2018-09-01 Half angel Half demon 100% teenager On Halloween Esme's life changed On Thanksgiving she counted her blessings and her curses This Christmas she confronts her greatest fears and discovers her true gift **Semper Mine** Lizzy Ford, 2014-04-30 A freak accident landed both of the
