So Far So Good A New Scoutmaster S Story:

So Far So Good Clarke Green,2015-01-04 With these words Chuck Grant reflects on his adventure as a new Scoutmaster If I had a nickel for every time I thought said or heard the phrase so far so good over the past few months I d be a rich man I d served as an assistant Scoutmaster for a few years when our Scoutmaster announced a job relocation that required his family to move Mark Hacker our committee chair took me aside one evening and asked me if I would consider being the new Scoutmaster I was stunned I love Scouting it s great fun But really My wife Anne and I discussed the commitments involved she appreciated what Scouts did for our son and believes in the program She agreed I ought to give it a try I called Mark and told him I would take the job in the fall I had three months to prepare so I started reading everything I could find about Scouting I felt a combination of excitement and dread It was like stepping off the edge and jumping into a volcano no turning back now

The Hurt Patrol Mary McKinley,2015-04-01 Give me your nerds your freaks your huddled outcasts yearning to breathe free Stick them in Boy Scout uniforms and you ll have the Hurt Patrol a sorry bunch of teen rejects who will never make Eagle Welcome to the club Beau has been scouting since first grade Not because he loves it but because his dad does It s the only thing they ve ever bonded over what with Beau s dad being into sports beer and brawling So when they move to yet another Midwest town Beau expects the usual Boy Scout experience filled with horribleness and insults Instead he finds something else entirely Kicked out of every other patrol their little band of brothers is equal parts nuts and awesome For the first time people are watching Beau s back instead of throwing things at it Nice Novel And also necessary when you re dealing with parents splitting up crushes first love and coming out The first and only rule of Hurt Patrol We are never going to win but if you re outcast elsewhere you ll do just fine here
