## History

Although soccer (association football) has no official starting date, a soccer-like game was introduced in Britain by the Romans in the times of Julius Caesar. "Street games" became so popular that, in 1314, traders convinced King Edwards II to ban them. The ban and subsequent tries were unsuccessful.

In 1848, the first set of rules was adopted. Soccer was the first team sport to be introduced to the Olympic Games-as an unofficial tournament in 1896 and as an official Olympic sport in 1900. The first World Cup began in 1930. The World Cup has been won by Brazil more often than any other country (5 times).

## The Game

Soccer is a ball game played by two (2) teams of 11 players each. The object of the game is to put the ball into the opponent's goal to score a point. The winning team is the one that scores the most goals.

## The Field

- The goalkeeper may only use the hands inside the Penalty Area which includes the Goal Area (Goal Box).
- If the defense commits a foul inside the Penalty Area, a Penalty Kick is awarded to the offense at the Penalty Mark.
- The sideline is called the Touchline.
- The end line is called the Goal Line.
