

Major Era 1

Social Studies 8--STAAR Review

Exploration and Colonial Era 1492-1763

Exploration

Reaches the explorations of 1492

1. Religious efforts
2. Wealthy explorers
3. Power struggles

Leads to discovery of North America and eventually colonization

Important Dates

1492 Columbus's voyage: 1st permanent English settlement: 8 years later founded as after settlement was planted

1607 Jamestown was founded: Pilgrims traveled to Plymouth and signed the Mayflower Compact to establish self-government

Early Representative Government

Mayflower Compact: Signed by many Pilgrims, helped establish the idea of self-government

Virginia House of Burgesses: 1st representative assembly in North America

People of the American Colonies

1. Self-government: From Massachusetts, Massachusetts Colonists in Boston helped build the Mayflower Compact and helped in the writing of the original constitution in 1630

Increasing trading, shipping, & increasing money trade

2. Settling: more trade, more money, Pennsylvania, Connecticut

Increasing more goods & more money, Massachusetts and

3. Settling: more goods, more money, Massachusetts, Virginia, Maryland, & Kentucky

Increasing more goods, more money, Massachusetts, Virginia, Maryland, & Kentucky

Conflict with Native Americans

1. Early conflicts
2. French and Indian War

Slavery Established

The transatlantic slave trade to grow cash crops brought other colonies into slavery trade.

"Planters" grew crops on plantations in the south. Planters used slaves to do the work so they could produce the cash crop (sugar).

"Slaveholders" used the 1773 trade to grow cash crops and helped to grow colonies. This helped them to help the colonies grow.

Like American sugar, the transatlantic slave trade was a transatlantic trade.

People of the Colonies

James Oglethorpe, founder of the colony of Georgia: Oglethorpe adopted the Fundamental Order of Georgia, sometimes called "the first written constitution".

William Penn, founder of Pennsylvania as a refuge for Quakers: He supported freedom of religion and helped to grow colonies.

Transatlantic Trade

French and Indian War

"British colonies" helped to grow through British North America. "British colonies" helped to grow the transatlantic trade and helped to grow colonies.

For a trade in the 1770s, the transatlantic trade was a transatlantic trade.

The Patchwork of World History in Texas High Schools Stephen Jackson,2022-11-30 This book traces the historical development of the World History course as it has been taught in high school classrooms in Texas a populous and nationally influential state over the last hundred years Arguing that the course is a result of a patchwork of competing groups and ideas that have intersected over the past century with each new framework patched over but never completely erased or replaced the author crucially examines themes of imperialism Eurocentrism and nationalism in both textbooks and the curriculum more broadly The first part of the book presents an overview of the World History course supported by numerical analysis of textbook content and public documents while the second focuses on the depiction of non Western peoples and persistent narratives of Eurocentrism and nationalism It ultimately offers that a more global accurate and balanced curriculum is possible despite the tension between the ideas of professional world historians who often de center the nation state in their quest for a truly global approach to the subject and the historical core rationale of state sponsored education in the United States to produce loyal citizens Offering a new conceptual understanding of how colonial themes in World History curriculum have been dealt with in the past and are now engaged with in contemporary times it provides essential context for scholars and educators with interests in the history of education curriculum studies and the teaching of World History in the United States

TExES Core Subjects 4-8 (211) Book + Online, 2nd Ed. Ann M.L. Cavallo,Karen Allmond,Mary D. Curtis,Marci Smith Deal,Christina Gawlik,Candace Joswick,Melissa Hulings,Kathleen C. The Ultimate Guide to Understanding Terrorism and Counterterrorism

Dr. Jeffrey C. Fox, 2021-07-14 This book is for anyone who is interested in learning about terrorism in all its forms For over four decades I have studied terrorism trained to deal with it dealt with it and taught it as an academic discipline Over these decades I have seen an already complicated topic become even more difficult to understand The field of study has grown as the world has gotten smaller Ask anyone what terrorism is and you will get a myriad of answers Even in academia the topic has become more convoluted As with crime there are many theories espoused as to why one commits terrorism and why terrorism exists It appears to me that many academics researchers policymakers authors and journalists in general view this topic with a tainted lens based on their own world view Some act as apologists for terrorists while often doing so in a subtle manner Some try to expand the definition and concept well beyond the scope that it should be found I have students who do this all the time We seem to be living in an emotion driven society instead of a fact driven one A relatively new trend is to use the word extremist as a synonym for terrorist There are several problems with this First this creates a net widening effect which lumps those who we disagree with in that net Second who gets to decide who or what is extreme Third and finally it waters down and muddies the study of terrorism This does not mean that an extremist might not become a terrorist Having pointed out the minefield terrorism can be my goal is to offer an academically sound real world fact based explanation on terrorism Terrorism can be a politically charged topic I ask that as you read this book you check what is written digest it and make your own decisions on what you have read It is highly likely some of your thinking will be challenged When I began to teach homeland security which includes terrorism I made a promise to myself that I would never be politically correct Political correctness is what some terrorists rely on and is one of our worse habits We will cover several overarching themes We will look at what terrorism is and is not We will explore the historical roots of terrorism We will discuss the causes of terrorism as well as terrorist typologies Next we will examine domestic terrorism and international and ethnic terrorism Then we will dive into religion and terrorism and spend time looking at Islamic terrorism and Jihad We will

examine asymmetric warfare including terrorists tactics and weapons of choice We will discuss terrorist financing and explore counterterrorism **STAAR Grade 8 Reading Assessment Secrets Study Guide** Mometrix Media LLC.,2015-02-25
