From Marx to Warner Jacek Tittenbrun, 2018-04-18 The book offers an in depth analysis of several important theories of social class and stratification both past and present This critique is underpinned by a single coherent analytic framework organised around the notion of ownership This original approach allows the book to offer alternative treatments of the issues dealt with by the thinkers discussed here The central argument here is that there are only two classical theories of social class namely those developed by Marx and Weber and this clear systematisation of the main attributes of approaches to class and stratification makes it possible to see that many theories traditionally considered as class ones refer in fact to social stratification

Theory and Practice of Addiction Counseling Pamela S. Lassiter, John R. Culbreth, 2017-03-07 Theory and Practice of Addiction Counseling by Pamela S Lassiter and John R Culbreth brings together contemporary theories of addiction and helps readers connect those theories to practice using a common multicultural case study Theories covered include motivational interviewing moral theory developmental theory cognitive behavioral theories attachment theory and sociological theory Each chapter focuses on a single theory describing its basic tenets philosophical underpinnings key concepts and strengths and weaknesses Each chapter also shows how practitioners using the theory would respond to a common case study giving readers the opportunity to compare how the different theoretical approaches are applied to client situations A final chapter discusses approaches to relapse prevention

Death, Dying and Bereavement in a Changing World Alan R. Kemp, 2015-10-16 This title takes a comprehensive approach exploring the physical social psychological and spiritual dimensions of death dying and bereavement Through personal stories from real people Death Dying and Bereavement provides readers with a context for understanding their changing encounters with such

difficult concepts Culturally Responsive Pedagogy: Teaching Like Our Students' Lives Matter Sheryl Taylor, Donna Sobel, 2011-07-19 At its core culturally responsive pedagogy represents a professional philosophy that is based on teachers fundamental commitment to students success Authors Taylor and Sobel believe that teachers want to approach their teaching from the pivotal point that each of their students lives matter Working from a broad perspective of culture the authors view culturally responsive teaching as a contextual and situational process for both teachers and students all students including those who are from a diversity of languages cultures racial ethnic backgrounds religions economic resources interests abilities and life experiences as well as students who are members of the society s mainstream cultural linguistic and socio economic background Recognizing that teachers are conduits of culture regardless of what content they teach the authors assert that when culture is coupled with pedagogy the result involves a complex and comprehensive mix of knowledge and skills for teachers to use to engage a diverse student population This book is intended as a guide and practical discussion for K 12 teachers who are committed to culturally responsive pedagogy and recognize the structural inequalities in society that are reflected in its schools Such teachers acknowledge that schools have a history of failing to serve students who are outside of the mainstream culture For those teachers who recognize the sociopolitical nature of education and the role their own cultural background and privilege play in their work as a professional educator they will find meaningful applications of research based exemplars used to create and manage rigorous learning environments that maximize students opportunities to learn Laud Humphreys John F. Galliher, Wayne Brekhus, David P. Keys, 2006-07-07 Laud Humphreys 1930 1988 was a pioneering and fearless sociologist an Episcopal priest and a civil rights gay and antiwar activist In graduate school during the late 1960s he conducted extensive fieldwork in public restrooms in a St Louis city park to discover patterns of impersonal sex among men He published the results in Tearoom Trade Three decades later the book still triggers many debates about the ethics of his research methods In 1974 he was the first sociologist to come out as gay Laud Humphreys Prophet of Homosexuality and Sociology examines the groundbreaking work through the life of a complex man and the life of the man through his controversial work It is an invaluable contribution to sociology and a fascinating record of a courageous life **Sociology** Jessica Herrmeyer, James M. Henslin, 2009-11-23 The State of the World's Cities 2004/2005 , 2004 As towns and cities expand at unprecedented rates sustainable urban development is one of the most pressing challenges facing the international community in the 21st century This publication examines the realities faced by urban populations around the world focusing on the impact of globalisation and the way cities are governed and planned on the make up and density of their population and on their cultures and economies Issues considered include the impact of globalisation on urban culture urban renewal and cultural strategies the concept of metropolitanization socio economic and cultural impacts of international migration urban poverty and homelessness social inequality and exclusion urban governance safety and crime trends contemporary planning strategies and the role of civil society progress towards attainment of the

Millennium Development Goals targets for sanitation and housing The report highlights the need for a new culture of planning to establish multicultural and inclusive cities involving civil society as well as public authorities Death, Dying, and Bereavement in a Changing World Alan Kemp,2018-11-02 In this introductory text on thanatology Alan Kemp continues to take on the central question of mortality the centrality of death coupled with the denial of death in the human experience Drawing from the work of Ernest Becker *Death Dying and Bereavement in a Changing World* provides a multidisciplinary and multidimensional approach to the study of death putting extra emphasis on the how death takes place in a rapidly changing world This new second edition includes the most up to date research data and figures related to death and dying New research on the alternative death movement natural disaster related deaths and cannabis as a form of treatment for life threatening illnesses and updated research on physician assisted suicide as well as on grief as it relates to the DSM 5 have been added **Essentials of Sociology** James M.
