life with a sociopath and the devastating circumstances he created for his many victims This personal journey leads to the discovery that a sociopath was in our midst examines his dishonorable behaviors long summary Note from the author You have met a predator He has crossed your path and you didn't even know Why did he pass you by Why did he look at someone else Most likely he sought someone who could better satisfy his cravings You were lucky This predator this hunter on the prowl is the human equivalent of a Great White Shark He is a sociopath as strictly defined in psychiatric literature He is a menace without conscience and like the shark in the ocean he will eat you alive before you sense the danger You need only cross his path I had the great misfortune to know intimately a sociopath for eighteen years It took too many of those years to recognize the problem For the rest of those years my professional training in observation and analysis were put to the ultimate test My hope for this book is to give you the tools to recognize the sociopath and his behavior Only by this recognition can you see the sociopath for what he really is and by seeing what he really is protect yourself and others from the pain of his intrusion Expect the unexpected think the unthinkable but recognize what is happening It took a terrible eighteen year journey with a sociopath by my side to first understand then withstand the sociopath's power My desire is to share this understanding with you to have you use this book as a guide to recognizing these dark souls I hope it contains the tools and armor that will protect you and help you avoid being victimized by a sociopath beside you This is a true story it contains real events events that caused great emotional pain to real people Names have been changed and the predator's relationships with his victims including this author are intentionally vague to protect the confidentiality of those involved On the victim's behalf some of the proceeds from the sale of this book will be donated toward efforts in locating and bringing to justice their perpetrator

The Book of Affinitive Life Lee Arnold Green, 2024-09-11 The Book of Affinitive Life Part 1 in Conjunction The Book of Life is mainly about life on Earth concerning the invited signals of love that create addictions and eventually transcend into affinitive life It is commonly characterized in the world as a passion hobby or bond to someone or something and it is practiced or lived by means of a habitual lifestyle or habit by virtue of signal responsiveness in response to behavior in

interaction with whom or what affinitive life centers on The surprisingly interesting spiritual fact about the love signal is that it lies beyond ordinary experiences and supernaturally transcends into an acquired spirit that is grafted into your natural spirit as an integral part which is then potentially lived as affinitive life and in turn a passion hobby or bond to someone or something Affinitive life as a passion hobby or bond is actually unknown to the world as such That is because it is spirit based and all spiritual lives are physically based First Corinthians 2 14 15 says The natural man receiveth not the things of the Spirit of God for they are foolishness unto him neither can he know them because they are spiritually discerned But he that is spiritual judgeth all things yet he himself is judged of no man That means scientists could never use genetic engineering to find the true meaning of passions hobbies or bonding to someone or something as an affinitive life because it is foolishness to them Genetic engineering is the direct manipulation of an organism s genome which means its genes are used by biotechnology also called genetic modification which is genetic manipulation of the genes of an organism s genome This book is the book of affinitive life part 1 to the natural side of life and the book of life to the spirit side of life of invited signals of love For that reason the name of this book is The Book of Affinitive Life Part 1 in Conjunction The Book of Life It is called The Book of Affinitive Life as it refers to and relates to the natural side of life first and then to the same degree it relates to the spirit side of life Additionally it characterizes the Book of Life which no natural or ordinary man could write there had to be a spiritual component All affinitive lives are lived optionally as a habitual lifestyle or habit in natural life in conjunction with natural life as an integral part

A Real Man versus a Worthless Man Garry Hall Sr.,2015-11-30 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness that the man of God may be perfect thoroughly furnished unto all good works 2 Timothy 3 16 17 Men do you know how to treat women Women are you sick of choosing the wrong men Just because you buy her jewelry doesn t mean she deserves to be mistreated Just because he is tall dark and handsome doesn t mean he is Mr Right Just because you give her money doesn t mean she is your property Just because he has a good job and drives an expensive car doesn t mean he is Mr Right So God made man in His own image Genesis 1 27 A man comes in all shapes sizes and characteristics When it comes to a woman I know what a man is going to say and what he is going to do to get her I may have not always been that perfect man But throughout the years I got my act together and learned how a woman wants to be treated This book is to help both men and women to determine what A Real Man Versus A Worthless Man is These methods will enable them to fulfill their purposes and create the lives they were designed to have From my own past experiences and having daughters of my own and listening to their stories about men prompted me to write this book A REAL MAN VERSUS A WORTHLESS MAN
