Everything Nice Lannie Rose,2009-01-08 Most coming of age stories are about teenagers but not this one Eddy s coming of age hardly

starts until he's 35 years old when he discovers a penchant for wearing women's clothes. It takes him ten more exciting and very weird years before he figures out he really should have been a girl all along. After the sex change, Eddy is now Lannie. Has to build a whole new life as a woman. The hard part was going to be finding a man to love her. While *Everything Nice* is YATA Yet Another Transgender Autobiography, it brings to the genre an honesty about relationships and sex before and after gender transition, a hard look at the dating scene from a transsexual point of view, and the unique sense of humor Lannie demonstrated in *HOW THE CHANGE YOUR SEX* and *LANNIE MY JOURNEY FROM MAN TO WOMAN*. If you only read one transsexual autobiography this year, *Everything Nice* is the one you want to choose. **Crowded House: Something So**

Strong Chris Bourke, 2014-08-14 It's pretty stupid comparing us to the Beatles. There were four of them. There's only three of us. Paul Hester. Crowded House promised to become the most successful band ever to have come out of Australasia. When *Don't Dream It's Over* and *Something So Strong* exploded in the US charts, worldwide success looked inevitable. Critics compared them musically to the Beatles, and fans adored them for their warmth and humour on stage. Four brilliant albums later, their rollercoaster ride of achievements and disappointments came to an end on the steps of the Sydney Opera House in front of one of the largest audiences in Australian history. The dream was over; the band had finally broken up. Their enormous promise was only partially fulfilled. In this definitive account, New Zealand journalist Chris Bourke has written the true story of the first phase of Crowded House. With unparalleled access to all the band members, their families, friends, musical collaborators, managers, and record company personnel, he has captured their essence. It is a unique tale of musical chemistry, family bonds, and the personal costs of pursuing an artistic vision. From the manic energy of the recording studio to the machinations of the record industry, this riveting account is a book for every Crowded House fan. This latest edition of *Crowded House: Something So Strong* includes new material from the author. *The Pond* C. A. Wilson, 2011
