No Arm Around My Shoulder Walter Fred Hamelrath, 2009-03 Book review by Beverly Seaton Ingersoll Author 4
Months of God's Mercy No Arm Around My Shoulder is a story of life long ago when survival was an everyday occurrence A small child's only desire to be wanted and loved by his family but in return must endure hostility and scorn for the first 18 years of his life This story cannot help but touch the soul of everyone who reads it I was heart stricken by the pain and adversity this author endured as a child but also inspired because I know he is a warm caring honorable man today The history Fred describes in Southern Idaho as he and his family moved from place to place just to put food on the table reminded me of times when life was much harder than today I felt as though I was right there with him The author is an inspiration to all of how strong a person's character is and that they can successfully overcome extremely difficult obstacles
