## **Reclaiming The Life We Lost Along The Way:**

Reclaiming the Life We Lost Along the Way John Paterson, 2014-11-18 We've been sold a bill of goods Not out of malice but out of a fundamental misunderstanding of how to effectively approach our lives and the world in order to secure the genuine happiness and authentic loving relationships we desire In Reclaiming the Life We Lost Along the Way we discover that at the heart of every decision we make is the intention to reduce our suffering and satisfy our unmet yearnings Authentic love safety acceptance connection belonging meaning purpose value appreciation These are the shared desires of every human being To meet these desires we have invested tremendous effort yet the quality of life we have sought continues to elude us The reason is shockingly simple We have attempted to resolve an internal problem with external solutions The outside world can never satisfy our deepest longings until our inner world makes a critical shift in perception and orientation When this internal shift occurs our experience of everything outside of us begins to change as well This is the key to realizing and experiencing the quality of life we have been seeking for so long Discover who you really are recover your true self bring your unique gifts to life then share them with the world This book shows you how to reclaim the life you were born to live by recovering the authentic love and deep fulfillment you came out of the Universe to encounter and extend in your own life and the lives of everyone you touch
