## Red Menace 2 Book:

**Red Menace #2** Mullaney James (author),1901      *The Red Menace* Ilise S. Carter,2021-11-15 In America lipstick is the foundation of empires it s a signature of identity it s propaganda self expression oppression freedom and rebellion It s a multi billion dollar industry and one of our most iconic accessories of gender This engaging and entertaining history of lipstick from the colonies to the present will give readers a new view of the little tube s big place in modern America from defining the middle class to building Fortune 500 businesses to being present at Stonewall and being engineered for space travel Lipstick has served as both a witness and a catalyst to history it went to war with women it gave women of color previously unheard of business opportunities and was part of the development of celebrity and mass media In the Twentieth Century alone lipstick evolved from a beauty secret for a select few to a required essential for well turned out women but also a mark of rock n roll rebellion and a political statement How has this mainstay of the makeup kit remained relevant for over a century Beauty journalist Ilise S Carter suggests that it s because the simple lipstick says a lot From the provocative allure of a classic red lip to the powerful statement of drag the American love affair with lipstick is linked to every aspect of our experience of gender from venturing into the working world or running for the presidency TheRed Menace will capture all of those dimensions with a dishy dose of fabulosity that makes it a must read for lipstick s fiercest disciples its harshest critics and everyone in between      *Flora, the Red Menace* John Kander,David Thompson,Fred Ebb,1988 A new interpretation of the 1965 Broadway musical Cover p 3

**White Sands, Red Menace** Ellen Klages,2008-10-02 Engrossing historical fiction from the Scott O Dell Award winning author of *The Green Glass Sea* It is 1946 World War II is over ended by the atomic bomb that Dewey Kerrigan s and Suze Gordon s scientist parents helped build Dewey s been living with the Gordons since before the war s end before her father died moving south with them to Alamogordo New Mexico At the White Sands Missile Range Phil Gordon is working on rockets that will someday go to the moon at home Terry Gordon is part of the scientists movement against the Bomb Dewey and Suze have conflicts of their own Where does a girl who likes physics and math fit in How do you know the right time to speak up and the right time to keep your head down And most important of all What defines a family

*On Guard Against the Red Menace* Rodrigo Patto Sá Motta,2020-02-01 This book focuses on the values beliefs fears and actions of Brazilian groups that throughout the twentieth century fought the red menace It is based on broad and diversified documentary sources including police files archives of political leaders traditional press periodicals newspapers and brochures of right wing organizations monuments caricatures and photographs The work is a major contribution to better understanding the political impact of right wing movements in Brazil and the justifications made for the authoritarian coups of 1937 and 1964 The author explains the intricacy of the political movements leaderships and organizations that gathered around the fight against communism as well as the ideas and images used to disseminate their arguments including international sources of inspiration The argument presented is not one of mere condemnation but as dictatorship has reared

its head post 1964 an assessment is long overdue in order to understand the political impact of anti communist movements which have contributed to enable the longstanding police military repressive machine of the Brazilian State The current return of anti communism to the Brazilian political scene is evidence of the book s thesis that this phenomenon took root in Brazilian society during the first decades of the twentieth century On Guard Against the Red Menace helps to understand why a candidate of military origin who promises to rid the country of the reds won the October 2018 elections in Brazil by adopting a discursive strategy that represents the appropriation of the anti communist tradition analyzed in this book

**Wives, Mothers & the Red Menace** Mary Brennan,2011-05-18 In Wives Mothers and the Red Menace Mary Brennan examines conservative women s anti communist activism in the years immediately after World War II Brennan details the actions and experiences of prominent anti communists Jean Kerr McCarthy Margaret Chase Smith Freda Utey Doloris Thauwald Bridges Elizabeth Churchill Brown and Phyllis Stewart Schlafly She describes the Cold War context in which these women functioned and the ways in which women saw communism as a very real danger to domestic security and American families Millions of women Brennan notes expanded their notions of household responsibilities to include the crusade against communism From writing letters and hosting teas to publishing books and running for political office they campaigned against communism and incidentally discovered the power they had to effect change through activism Brennan reveals how the willingness of these deeply conservative women to leave the domestic sphere and engage publicly in politics evinces the depth of America s postwar fear of communism She further argues that these conservative anti communist women pushed the boundaries of traditional gender roles and challenged assumptions about women as political players by entering political life to publicly promote their ideals Wives Mothers and the Red Menace offers a fascinating analysis of gender and politics at a critical point in American history Brennan s work will instigate discussions among historians political scientists and scholars of women s studies

**Black Freedom, White Resistance, and Red Menace** Yasuhiro Katagiri,2014-01-06 In Black Freedom White Resistance and Red Menace Yasuhiro Katagiri offers the first scholarly work to illuminate an important but largely unstudied aspect of U S civil rights history the collaborative and mutually beneficial relationship between professional anti Communists in the North and segregationist politicians in the South In 1954 the Supreme Court outlawed racial segregation in public schools with the Brown v Board of Education ruling Soon after while the political demise of U S senator Joseph R McCarthy unfolded northern anti Communists looked to the South as a promising new territory in which they could expand their support base and continue their cause Southern segregationists embraced the assistance and the methods of these Yankee collaborators and utilized the northern messiahs in executing a massive resistance to the Supreme Court s desegregation decrees and the civil rights movement in general Southern white leadership framed black southerners crusades for social justice and human dignity as a foreign scheme directed by nefarious outside agitators race mixers and worse outright subversives and card carrying Communists Based on years of extensive archival research Black Freedom

White Resistance and Red Menace explains how a southern version of McCarthyism became part of the opposition to the civil rights movement in the South an analysis that leads us to a deeper understanding and appreciation for what the freedom movement and those who struggled for equality fought to overcome      *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office Library of Congress.* Copyright Office,1923      *Illuminating the Dark Arts of War* David Tucker,2012-03-01 Since 9 11 the dominant view is that we have entered an era of new conflict in which technology has empowered non state actors who now pose unprecedented and unmanageable threats to U S national security This unique work studies a range of threats from homegrown and foreign terrorism to the possibility of cyber or Chinese sabotage and fears of religious subversion to challenge every aspects of this new conflict argument and expose its underlying exaggerations and misunderstandings Examining such issues as political violence the role of religion in terrorism the impact of technology and the political aspects of homeland security this unique survey demonstrates how such activities as terrorism are limited by their clandestine nature It also addresses why we need to switch our strategic focus and increase the role citizens have in dealing with such threats This historically informed and critical analysis fills a void in the debates on the threats and conflicts that the U S confronts at home and abroad and will appeal to anyone interested in national security and terrorism      **The Official Overstreet Comic Book Companion** Robert M. Overstreet,2008-05-13 Describes and lists the values of popular collectible comics and graphic novels issued from the 1950s to today providing tips on buying collecting selling grading and caring for comics and including a section on related toys and rings      Red Menace Ed Brubaker,2006 Fan favorite creators Ed Brubaker and Steve Epting bring the most talked about Captain America story in 40 years to a heartbreaking conclusion Cap faces down his personal demons in a hand to hand battle with the Winter Soldier But he s not just fighting for victory he s in a struggle for the heart and soul of everything he s ever cared about and the results will send tragic echoes throughout his life for years to come Collects Captain America 15 17 Captain America 65th Anniversary Special

*Korean War Comic Books* Leonard Rivas,2021-05-11 Comic books have presented fictional and fact based stories of the Korean War as it was being fought and afterward Comparing these comics with events that inspired them offers a deeper understanding of the comics industry America s forgotten war and the anti comics movement championed by psychiatrist Fredric Wertham who criticized their brutalization of the imagination Comics both newsstand offerings and government propaganda used fictions to justify the unpopular war as necessary and moral This book examines the dramatization of events and issues including the war s origins germ warfare brainwashing Cold War espionage the nuclear threat African Americans in the military mistreatment of POWs and atrocities      **Catalog of Copyright Entries** Library of Congress. Copyright Office,1918      **Propaganda & Persuasion ,**      Comic Books and the Cold War, 1946-1962 Chris York,Rafiel York,2014-01-10 Conventional wisdom holds that comic books of the post World War II era are poorly drawn and poorly

written publications notable only for the furor they raised Contributors to this thoughtful collection however demonstrate that these comics constitute complex cultural documents that create a dialogue between mainstream values and alternative beliefs that question or complicate the grand narratives of the era Close analysis of individual titles including EC comics Superman romance comics and other more obscure works reveals the ways Cold War culture from atomic anxieties and the nuclear family to communist hysteria and social inequalities manifests itself in the comic books of the era By illuminating the complexities of mid century graphic novels this study demonstrates that postwar popular culture was far from monolithic in its representation of American values and beliefs

**With Amusement for All** LeRoy Ashby, 2006-05-12 *With Amusement for All* is a sweeping interpretative history of American popular culture Providing deep insights into various individuals events and movements LeRoy Ashby explores the development and influence of popular culture from minstrel shows to hip hop from the penny press to pulp magazines from the NBA to NASCAR and much in between By placing the evolution of popular amusement in historical context Ashby illuminates the complex ways in which popular culture both reflects and transforms American society He demonstrates a recurring pattern in democratic culture by showing how groups and individuals on the cultural and social periphery have profoundly altered the nature of mainstream entertainment The mainstream has repeatedly co opted and sanitized marginal trends in a process that continues to shift the limits of acceptability Ashby describes how social control and notions of public morality often vie with the bold erotic and sensational as entrepreneurs finesse the vagaries of the market and shape public appetites Ashby argues that popular culture is indeed a democratic art as it entertains the masses provides opportunities for powerless and disadvantaged individuals to succeed and responds to changing public hopes fears and desires However it has also served to reinforce prejudices leading to discrimination and violence Accordingly the study of popular culture reveals the often dubious contours of the American dream *With Amusement for All* never loses sight of pop culture's primary goal the buying and selling of fun Ironically although popular culture has drawn an enormous variety of amusements from grassroots origins the biggest winners are most often sprawling corporations with little connection to a movement's original innovators

*The Theatre of Kander and Ebb* Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits *Cabaret* 1966 and *Chicago* 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of *70 Girls* 1971 and *Curtains* 2006 to

more overtly serious musicals such as *Kiss of the Spiderwoman* 1992 *The Scottsboro Boys* 2010 and *The Visit* 2014 which were less commercially successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre

*United Empire* ,1926      *It's a Helluva Town* Roberta Brandes Gratz,2020-11-10 Learn about key moments in New York City s development starting with the history of the J M Kaplan Fund and its role in shaping the city from World War II to the present The J M Kaplan Fund was established in 1945 by Jacob M Kaplan and would go on to play a critical role in New York City s cultural and urban life Kaplan s long leadership of the Fund 1945 1977 was marked by determined advocacy including the effort to save Carnegie Hall from destruction support for institutions like The New School for Social Research and the South Street Seaport Museum as well as to bolster the cause of union democracy the arts and the co operative movement Since the 1970s the Fund has been led by Kaplan s daughter Joan K Davidson who has led the Fund to its current place as a forceful presence in New York City s civic life supporting the Westbeth Artists Housing Greenmarkets and more      *The Palgrave Handbook of the Vampire* Simon Bacon,2024-04-16 Winner of the The Lord Ruthven Assembly Award for Non Fiction 2024 This Handbook MRW is a unique encompassing overview of the figure of the vampire Not only covering the list of usual suspects this volume provides coverage from the very first reports of vampire like creatures in the 17th century to film and media representations in the 21st century The Palgrave Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story
