

Where do Balloons go Mommy when you set them free?

Where do Balloons go Mommy when you set them free?

Do they float in clouds or get stuck in a tree?

Do they fly high in the sky or get popped by a bee?

Do they run with the birds and the bugs in the air
or stay close to the ground and get chased by a bear?

Does the wind blow them out over the big blue ocean
or do they climb up and over small hills and big mountains?

Do they roam our big space and circle the stars
and then fall back to earth after traveling so far?

Oh does God collect them all in a big basket
and give them to children in heaven each day?

Where do Balloons go Mommy when you set them free?

I hope they go to Heaven as a gift from Me!
