

# **I Am Thankful For**

*by Nancy J Carmody*

I am thankful for

.....the mess to clean up after a party because it means I have been surrounded by friends.

.....the taxes that I pay  
because it means that I'm employed.

.....the clothes that fit a little too snug  
because it means I have enough to eat.

.....my shadow who watches me work  
because it means I am out in the sunshine.

.....the spot I find at the far end of the parking lot  
because it means I am capable of walking.

.....all the complaining I hear about our Government  
because it means we have freedom of speech.

.....that lady behind me in church who sings offkey  
because it means that I can hear.

.....lawn that needs mowing, windows that need cleaning, and  
gutters that need fixing

because it means I have a home.

.....my huge heating bill  
because it means that I am warm.

.....weariness and aching muscles at the end of the day  
because it means that I have been productive.

.....the alarm that goes off in the early morning hours  
because it means that I am alive.

LeRoi Cochran,2015-12-18 My children love holidays but I realized I have been missing the opportunity to teach them WHY we actually celebrate holidays Christmas sure but can I really explain St Patrick s Day What does Cinco de Mayo signify Do they understand Memorial Day and the 4th of July or are they more worried about BBQ and fireworks Why do we celebrate Martin Luther King With that in mind I decided to use this children s book as an opportunity to teach and encourage celebration for a purpose Celebration without a focus on gifts Celebration of the history of the holidays we recognize Celebration with a touch of gratitude The book entertains and impresses with its images but more importantly it creates an opportunity for a conversation between parents and children The book opens the door to a discussion about what s really important amidst all of the distractions that holidays can sometimes create The book includes 20 original entertaining poems and amazing illustrations The poems flow in chronological holiday order through the year Each time we reach a holiday I pull out the book and the kids love it They get to enjoy the pictures and we both get to learn something along the way Hope you and your family do as well Thank you for Choosing Gratitude Author s Insider Perspective I decided to incorporate black and white photographs into every page in order to provide a glimpse at the history It was a real challenge coming up with images that made a point but did not distract from the illustrations The combination of illustrations mixed with black and white photography has been a huge hit with children It s different and they love it I also included in the book a place for them to draw their favorite holiday list holiday traditions and list their favorite gifts given and received Great way to personalize the book and a fun way to look back at previous years Holiday Poems Included New Year s Eve Martin Luther King Day President

s Day Groundhog s Day Valentine s Day St Patrick s Day Easter Earth Day Mother s Day Father s Day Cinco de Mayo Memorial Day 4th of July Labor Day Columbus Day Halloween Veteran s Day Thanksgiving Christmas Holidays all
