

My Life...

Maybe my life isn't always easy
But I love living it anyway
I have a family, a pack of wolves, who are always there for me
They love me no matter what I do or say

I have found the love of my life
He stands by me and fights on my side
I am proud to be his friend and his wife
He refuses to let me go into the shadows to hide

I have friends to talk and make fun with
They pick me up when I am down
Make me see, true friendship is not a myth
Cheer me up, take me to town

I have a house, safe and secure
A palace to call home
A shelter for whatever I may have to endure
My own personal dome

I have my strength and my courage too
My pride, loving heart and loyalty
Whatever may happen, I will get through
And I will enjoy life fully

I have three furry creatures I adore
They keep the cold out of me
Always comforting me when I'm sore
So cute, soft and cuddly

I have so many things to be grateful for around me
So many things that make me smile and laugh
My life doesn't need to be perfect, I am already happy
The things I have are more than enough!

A Collection of Words Dustin Carr,2012-05 This book contains a mere collection of poetry letters and other works that have been compiled over time The author has written over time based on circumstance and feeling You will find that some of the pieces of works are dated and others are not never fear all that means is that the time was never recorded or simply the original was lost and I found a copy If there are any other dated pieces of works that are especially vague that just means that it was not labeled but I knew the general date when I wrote it Please keep in mind that the names have been changed to protect both myself and who they are written to for or about You may find some opinionated text about certain parties but such is the nature of the text that it is in There is not much else to say but the fact that as you read this book I hope you enjoy my life my thoughts my feelings but most of all I hope you enjoy the beautiful art of creative writing

Perkins, Ph.D.,2019-02-26 Poems of Love Struggle and Change By Merredith F Perkins Ph D If someone had said to her twenty five years ago that she would be living the life she's living Merredith F Perkins Ph D would have questioned his or her sanity She would have been an ardent disbeliever The fortune of writing was bestowed upon her a long time ago but she did not know that twenty five years of reflective writing and her poems would show up in a book at this stage of her life In her golden years Dr Perkins is writing and sharing her poetry with the public to show that we all have a lot in common and that we all stumble humbly through our life's journey In taking stock of her life and understanding a little bit of what her life has been for she is learning that the puzzle pieces were being laid on a path long before she arrived at that path Poems of Love Struggle and Change is a collection of poetic expressions on topics about love in relationships struggling with expressions of self awareness and engaging in the friction of self discovery as a way to gauge internal and external explorations as life unfolds *My Life* Marshall Pickens,2025-06-16 Your 40's are midlife I can see why so many people have a crisis at this time of life Your kids become teenagers and everything from grades to relationships cause depression and anxiety Your parents are so much older and need help Friends and loved ones start passing away One way I found to deal with all the stress of my 40's was to write about it but normal writing wasn't good enough Poetry really is the only way to let it all out and talk about it Poems of a Time in My Life. Johnny Wilson,2015-05-15 Living in the back of my store some gene turned on in my brain and poems began to flow All though my thoughts were not poems but thought provoking words Only later when reviled to people that they would say Oh you are a poet Or you did not write this Then gathered enough courage to go to a coffee houses and read Discovered people liked them Writing every day about what was seen or felt My first paid gig was writing for bartenders and getting free drinks *My Life and Times* Tyrone Bowers,2008-10-01 This book is a summary of my life I am only 28 years old but I feel I have had a very eventful and interesting life I want to inspire people through my writing and let them know that they can overcome everything they face and achieve their dreams if they only have faith and believe **Poems with a Message** Ray Lohman,2020-09-28 You will enjoy this book of poems each written by Mr Lohman to provide good feelings on an event you have recognized or will recognize at some point in your life The poems include messages about nature family reflections on life sports and even politics Mr Lohman being a Christian often included the potential involvement of God in these events The last small group of poems describes the thoughts an 89 year old might have about approaching the hereafter This he speaks from personal experience Many of the poems are structured in the pleasing sonnet format and its enjoyable rhythm A second characteristic of Mr Lohman's writing was the use of rhyming when appropriate This rhyming rhythm enhanced by selected comma use made writing poetry mentally challenging but always left a good feeling about the message The poems included

here were all produced in the last 24 months of Mr Lohman s life following his family s recovery from a major disaster Hurricane Harvey in August 2017 destroyed the entire interior of their home However these poems represent not two years but a lifetime of experiences thoughts and observations he has encountered during his 89 years Clearly in many instances his thoughts included messages led by God to whom he gives all the credit for this book of poems **Schiller's Poems and**
