Charles Simic and the Poetics of Uncertainty Donovan McAbee, 2020-01-09 Charles Simic and the Poetics of Uncertainty provides the first full account of the poetics of the former US Poet Laureate who is one of the most popular and critically acclaimed English language poets writing today The book argues for uncertainty as the center of Simic's poetics and addresses the ways that his poetry grows from and navigates various forms of uncertainty Donovan McAbee addresses uncertainty regarding the national character of Simic's poetry and how this is complicated by Simic's identity as a Yugoslavian refugee to the United States The book assesses the theological and linguistic uncertainties of Simic's poetry and explores the ways that Simic articulates the aesthetic space created by poems as a safe place of encounter for the reader The book argues for the role of humor as a primary mode that holds together the uncertainties of Simic's poetry and finally it articulates the way that within these uncertainties Simic develops a deeply humane political poetry of survival Along the way Simic's work is placed in conversation with key influences and other important American and international poets and writers including James Tate Mark Strand Charles Wright Nicanor Parra Vasko Popa and others

Prose Poetry in Theory and Practice Anne Caldwell, Oz Hardwick, 2022-06-01 Prose Poetry in Theory and Practice vigorously engages with the Why and the How of prose poetry a form that is currently enjoying a surge in popularity With contributions by both practitioners and academics this volume seeks to explore how its distinctive properties guide both writer and reader and to address why this

form is so well suited to the early twenty first century With discussion of both classic and less well known writers the essays both illuminate prose poetry s distinctive features and explore how this outsider form can offer a unique way of viewing and describing the uncertainties and instabilities which shape our identities and our relationships with our surroundings in the early twenty first century Combining insights on the theory and practice of prose poetry *Prose Poetry in Theory and Practice* offers a timely and valuable contribution to the development of the form and its appreciation amongst practitioners and scholars alike Largely approached from a practitioner perspective this collection provides vivid snapshots of contemporary debates within the prose poetry field while actively contributing to the poetics and craft of the form

Poetics of Cognition Jessica Lewis Luck,2023-08-14 *Poetics of Cognition* investigates the material effects of experimental poetics using new evidence emerging from cognitive science It asks How do experimental poems think and how do we think through them Examining experimental modes such as the New Sentence proceduralism projective verse sound poetry and visual poetry Jessica Lewis Luck argues that experimental poems materialize not so much the content as the activity of the embodied mind and they can thus function as a powerful scaffolding for extended cognition both for the writer and the reader While current critical approaches tend to describe the effects of experimentalism solely in terms of emotion and sensation Luck shifts from the feeling to the thinking that these poems can generate expanding the potential blast radius of experimental poetic effects into areas of linguistic sonic and visual processing and revealing a transformational potency that strictly affective approaches miss The cognitive research Luck draws upon suggests that the strangeness of experimental poetry can reshape the activity of the reader s mind creating new forms of attention perception and cognition This book closes by shifting from theory to praxis extracting forms of teaching from the forms of thinking that experimental poems instill in order to better enable their transformative effects in readers and to bring poetry pedagogy into the twenty first century

The Routledge Companion to Cultural Text and the Nation Sheera Talpaz, Anuradha Dingwaney Needham, 2025-03-31 *The Routledge Companion to Cultural Text and the Nation* brings together over 30 articles by leading and emerging scholars from around the world who engage fresh critical lenses from affect studies to the medical humanities and re-energize established frameworks to examine the interplay between cultural production and conceptualizations of the nation and nationalism The scholarship in this volume takes as its objects of analysis various forms of aesthetic and cultural production from film and literature to museums and costume books enriching the conversation that has often siloed these forms Geared toward scholars graduate students and upper-level undergraduates across the humanities and social sciences this timely interdisciplinary collection is issued at a critical juncture in the transformation of the nation and the global resurgence of regressive and populist nationalist movements Both offering new insights reorienting our understanding of canonical materials and bringing noncanonical works to light this volume challenges long-held assumptions about the nation while establishing its continued significance and future possibilities

Prolific Ground Nicolle Jordan, 2024-11-15 Land ownership and engagement with land more generally constituted a crucial dimension of female independence in eighteenth-century Britain Because political citizenship was restricted to male property owners women could not wield political power in the way propertied men did Given its foundational sociopolitical function land necessarily generated copious writing that vested it with considerable aesthetic and economic value This book then situates these issues in relation to the historical transformation of landscape under emergent capitalism The women writers featured herein including Jane Barker Anne Finch Sarah Scott and Elizabeth Montagu participated in this transformation by celebrating female estate stewardship and evaluating the estate stewardship of men By asserting their authority in such matters these writers acquired a degree of independence and self-determination that otherwise proved elusive

Historicism, Psychoanalysis, and Early Modern Culture Carla Mazzio, Douglas Trevor, 2013-10-28 First

published in 2000 Did people in early modern Europe have a concept of an inner self Carla Mazzio and Douglas Trevor have brought together an outstanding group of literary cultural and history scholars to answer this intriguing question Through a synthesis of historicism and psychoanalytic criticism the contributors explore the complicated nuanced and often surprising union of history and subjectivity in Europe centuries before psychoanalytic theory Addressing such topics as fetishes and Renaissances the cartographic unconscious and the topographic imaginary these essays move beyond the strict boundaries of historicism and psychoanalysis to carve out new histories of interiority in early modern Europe **A Long Essay on the**

Long Poem Rachel Blau DuPlessis, 2023-03-21 For decades Rachel Blau DuPlessis has shown readers how genres forms and the literal acts of writing and reception can be understood as sites of struggle In her own words writing is a praxis in which the author disappears into a process into a community into discontinuities and into a desire for discovery It is cause for celebration then that we have another work of warm incisive expository writing from DuPlessis in *A Long Essay on the Long Poem* *The Novel and Theatrical Imagination in Early Modern China* Chun Mei, 2011-01-07 The cultural fascination with and imagination of theater has long been overlooked as an important historical and literary context for reading *Water Margin* and *Journey to the West* This study focuses on the concept of the theatrical to read those novels and their commentaries Imbued with performances playacting spectacles and spectatorship the early modern theatrical novel borrowed heavily from theater to conflate the theatrical and the real juggle theatrical roles persons and identities and contest orthodoxies by challenging and appropriating sites of control and authority This study showcases the theatrical novel's unique position as a new form of literati self representation in response to the destabilizing social and political forces of early modern China

Vladimir Markov and Russian Primitivism Jeremy Howard, Irena Bužinska, Z.S. Strother, 2016-02-11 Hailed as a brilliant theoretician Voldem rs Matvejs best known by his pen name Vladimir Markov was a Latvian artist who spearheaded the Union of Youth a dynamic group championing artistic change in Russia 1910-14 His work had a formative impact on Malevich Tatlin and the Constructivists before it was censored during the era of Soviet realism This volume introduces Markov as an innovative and pioneering art photographer and assembles for the first time five of his most important essays The translations of these hard to find texts are fresh unabridged and authentically poetic Critical essays by Jeremy Howard and Irena Buzinska situate his work in the larger phenomenon of Russian primitivism i.e. the search for the primal This book challenges hardening narratives of primitivism by reexamining the enthusiasm for world art in the early modern period from the perspective of Russia rather than Western Europe Markov composed what may be the first book on African art and Z.S. Strother analyzes both the text and its photographs for their unique interpretation of West African sculpture as a Kantian play of masses and weights The book will appeal to students of modernism orientalism primitivism historiography African art and the history of the photography of sculpture *Romance Studies*, 1989 **2009 Poet's Market - Listings** Editors Of Writers Digest Books, 2008-07-01 2009 Poet's Market will give you all the information necessary to research markets and
