

## ' Abusive Kind Of Love'

You tell me that you love me  
then you slap me to the ground.  
You said until death do we part  
your words now, are so profound.

You've pulled my hair, slapped my face  
tore the best clothing off of me.  
While I stand in wonder of what you're doing  
in my heart I'm in love you see.

I would not want you as my best friend  
wouldn't go out of my way to make that friend of you.  
Even in this toxic love you claimed we had  
In my heart I'm still in love with you.

**Through the Trees** Nina C. Palmer, 2014-07-24 Take a walk through the trees a poetically written journey of nature and metaphor Experience a wilderness that comes alive with a hauntingly enchanting spirit We all have or will experience the heartache at the end of a relationship It could be with a friend a love or even someone from our own family We grieve all the same This humble book of poetry is a journey of healing Each chapter represents a stage of grief with artful words that touch the hurting soul in a most compassionate and deeply vulnerable way Words that are true to the experience of loss Challenge yourself to deep self reflection as you take a journey through denial anger depression bargaining and finally acceptance May you find your way out of the woods and finally be able to see the forest through the trees **Drama Queen** Ginnie Bale, 2021-12-14 Drama Queen is a poetry collection about mastering the aftermath of a toxic relationship the journey to finding oneself and a homage to womanhood and healing An empowering collection of short poems about toxic love and loss pain anger and the strength it takes to develop self love after emotional abuse This book is for lovers of Michaela Angemeer Caitlin Kelly Caroline White David Jones Rupri Kaur and r h Sin The poetry of toxic love Guido Pagliarino, 2022-09-13 In previous works based on the characters Vittorio D Aiazio and Ranieri Velli L ira dei vilipesi Il mostro a tre braccia I satanassi di Torino the pair were both police officers or Public Security as it was called in the past commissioner the first his adjutant the second In this subsequent work while Vittorio has remained in service and risen to the rank of deputy chief commissioner Ranieri has courageously left the uniform with its fixed salary to devote himself exclusively to his passion writing and lives with difficulty on the pen working occasionally as a journalist at a newspaper and underpaid editor in a publishing house and this time both in the novel The Poetry of Toxic Love and in the short story that follows it he is above all the main character not Vittorio even though his friend certainly does not remain in the background In previous works based on the characters Vittorio D Aiazio and Ranieri Velli L ira dei vilipesi The Wrath of the Reviled Il mostro a tre braccia I satanassi di Torino the pair were both police officers or officers of Public Security as it was called in the past commissioner the first his adjutant the latter In this subsequent work while Vittorio had remained in the service and had risen to the rank of deputy police commissioner Ranieri had courageously left the uniform with its fixed salary to devote himself exclusively to his passion writing He barely scrapes along relying on his pen as part time journalist at a newspaper and underpaid editor in a publishing house and this time in both the novel The poetry of toxic love and the short story that follows it he is the main character not Vittorio even if his friend certainly does not rest in the background Returning home on a July day in 1969 Ranieri finds a letter from New York in the mail informing him that he has won a rich literary prize for his poetic work translated in the United States Shortly after there are attacks on his life cloaked as accidents which are unsuccessful thanks to his athleticism and martial arts ability Were these attempts at revenge by one of the many criminals that Ranieri had brought to justice before leaving the police force Or as he comes to suspect does the motive lie precisely in that literary prize

Or even more surprisingly can a sylloge of his poems which were recently printed completely without his knowledge be the motive Valli flies to New York for the award ceremony and is greeted at Kennedy Airport by a young Italian American Norma Costante a sexy beauty who has been engaged by the Valente Foundation organizer of the award to assist him as an interpreter and escort She close to divorce from her husband a bisexual painter who betrayed her by participating in orgies with his male and female models seems to fall passionately in love with him while Ranieri certainly warms to her but a bitter fact will emerge from the sensual lady s past Meanwhile in America too on several occasions someone tries to kill the poet always masking their criminal attempts as fortuitous accidents and although Ranieri still manages to escape death other people however are affected first John Crispy a prominent American broker who administers the assets of Donald Montgomery a young man with a cold character director of the FBI in New York and candidate for the United States Senate he perhaps hates his administrator because he is close to marrying his mother the richest woman in America At a certain point one fact seems certain that despite himself the poet has become a pawn in an international criminal chess game that concerns Italy in particular a country which in that year of 1969 was prey to social violence and civil unrest There are numerous twists and turns among other things people believed to be dead reappear on the scene alive while figures consider Translator Barbara Maher PUBLISHER TEKTIME

Sappho and Catullus in Twentieth-Century Italian and North American Poetry Cecilia Piantanida,2021-01-14 Going beyond exclusively national perspectives this volume considers the reception of the ancient Greek poet Sappho and her first Latin translator Catullus as a literary pair who transmit poetic culture across the world from the early 20th century to the present Sappho s and Catullus reception has shaped a transnational network of poets and intellectuals helping to define ideas of origins gender sexuality and national identities This book shows that across time and cultures translations and rewritings of Sappho and Catullus articulate modernist poetics of myth and fragmentation

forms of confessionalism and post modern pastiche The inquiry focuses on Italian and North American poetry as two central yet understudied hubs of Sappho's and Catullus' modern reception also linked by a rich mutual intellectual exchange key case studies include Giovanni Pascoli Ezra Pound H D Salvatore Quasimodo Robert Lowell Rosita Copioli and Anne Carson and cover a wide range of unpublished archival material Texts are analysed and compared through reception and translation theories and inserted within the current debate on the Classics as World Literature demonstrating how sustained transnational poetic discourse employs the ancient pair to expand notions of literary origins and redefine poetry's relationship to human existence

**to whom it may concern** Kyla Hawthorn, 2024-02-12 you put the weight of your world on my shoulders now i am too heavy to carry my own In loving and caring for others sometimes we forget to love and care for ourselves too As we navigate through life's challenges and focus on others we get further away from ourselves The weight we bear threatens to crush us to drive us further into the ground And after heartbreak and loss what's left Who is left It's in the grief that we feel isolated disconnected from our true selves and powerless But we're not alone to whom it may concern sincerely me is a poetry collection divided into three parts depression heartbreak and self love These free verse poems illuminate the darkness of depression expressing what is so often felt but left wordless trapped inside of us Poet Kyla Hawthorn explores the complexities of love by diving into her past relationships and heartbreaks with vulnerability and honesty She unravels the inner turmoil between self love and toxic love between advocacy and complacency These poems remind us that advocating for ourselves living a life of authenticity are important acts of self love More than poetry to whom it may concern sincerely me is a collection of self help affirmations that encourage us to take back our power When we take back our power we can shed the weight of toxic relationships and situationships in our lives We can be our true selves
