**Billboard** ,2000-03-04 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *The Male Chauvinist Pig* Julie Willett,2021-04-27 In the social upheavals of the 1960s and 1970s a series of stock characters emerged to define and bolster white masculinity Alongside such caricatures as the Playboy and the Redneck came a new creation the Male Chauvinist Pig Coined by second wave feminists as an insult the Male Chauvinist Pig was largely defined by an anti feminism that manifested in boorish sexist jokes But the epithet backfired being a sexist pig quickly transformed into a badge of honor worn proudly by misogynists and in time it would come to define a strain of right wing politics Historian Julie Willett tracks the ways in which the sexist pig was sanitized by racism popularized by consumer culture weaponized to demean feminists and politicized to mobilize libertine sexists to adopt reactionary politics Mapping out a trajectory that links the sexist buffoonery of Bobby Riggs in the 1970s the popularity of Rush Limbaugh s screeds against Feminazis in the 1990s and the present day misogyny underpinning Trumpism Willett makes a case for the potency of this seemingly laughable cultural symbol showing what can happen when we neglect or trivialize the political power of humor **The Jokiest Joking**

**Level Up Your Time with God** Patrick DA Sims,2021-05-10 Why level up your time with God The latest stats say 65 percent of adults in America play video games and we all know kids who play video games as well but there come issues with that We ve all been told that video games are no good at one point or another or some of us are the ones who ve said it The media talks about violence caused by games and many churches and parents talk about them being mental garbage But how much of that is true Are video games

fundamentally different than spending time with God or can they actually be something that helps our relationship with God What if our games could be something that helps us know God more instead of being something that distracts us from God to the point we either feel guilty thinking about God or we just leave the church altogether What if you as a gamer could read something that connects games to God in a meaningful way What if you as a parent grandparent spouse or friend of a gamer could read something that answers your worries and shows just how much of God is in this stuff We don t have to wonder We can love video games and still choose God You just need to Level Up Your Time with God
