This is the Yellow version of Pokémon. There are other versions, too. The differences between the versions are the types and probability of Pokémon appearances.

To complete your collection you will need to trade with a friend who has another version.

"They can be very dangerous. However if you possess trained Pokémon, you can let them fight the wild ones. Come to my laboratory, and I'll let you see."

When you get to the lab, you find your former friend there too. You're amazed to find that he is Professor Oak's grandson! "I have prepared a Pokémon for you," says the Professor. "Now that you have a Pokémon, the road is up to you..."
