Q Paper Setwana Paper 2014 Dicember:

Arabic in Context ,2017-06-06 The writing of Arabic s linguistic history is by definition an interdisciplinary effort the result of collaboration between historical linguists epigraphists dialectologists and historians The present volume seeks to catalyse a dialogue between scholars in various fields who are interested in Arabic s past and to illustrate how much there is to be gained by looking beyond the traditional sources and methods It contains 15 innovative studies ranging from pre Islamic epigraphy to the modern spoken dialect and from comparative Semitics to Middle Arabic The combination of these perspectives hopes to stand as an important methodological intervention encouraging a shift in the way Arabic s linguistic history is written Sustainable Development Goals and Institutions of Higher Education Godwell Nhamo,Vuyo Mjimba,2019-09-14 This volume brings together both theoretical and case study based contributions to the implementation of the Sustainable Development Goals SDGs in Institutions of Higher Education IHE presenting an impactful combination of authors from both developing and developed countries While most current publications addressing the SDGs and education focus on sustainable development in general and specific topics such as climate change or energy this book attempts to accelerate the localisation of the SDGs by presenting opportunities and innovations offered in various universities and campuses regarding SDGs localisation The book seeks to provide an important contribution to the global dialogue on IHE and the SDGs and will be of interest to academics and researchers engaged in the SDGs and education as well as government agencies and other interested stakeholders The book focuses on curriculum and learning matters research and development as well as community engagement Case studies detail the integration of SDGs in academic and professional development new approaches to implementing sustainability science instruction improvements in teaching practices to enhance teacher competence and responsible management education Additional focus is placed on the alignment of the SDGs in higher education with the other goals emphasizing technological innovation for improved human health and environmental management and climate change policies and action plans Interdisciplinary solutions for pressing environmental problems are also provided making sure that no one is left behind in realising these global development goals Fair Trial Rights and Multilingualism in Africa Catherine S. Namakula,2022-09-19 This book examines the best language fair trial practices of the courts in arguably the most multilingual region of the world It contains an instructive list of standards and approaches to linguistic dynamics which may be considered a language fair trial rights code By way of jurisprudential analysis and scrutiny of constitutional imperatives and examination of legislation among the respective jurisdictions from the Sahel region to the Horn of Africa and the Cape this publication presents peculiar country specific practices and common standards aiming towards the realisation of a fair trial in a multilingual context The exceptionally multilingual nature of legal processes in Africa makes the standards in the region instructive in the progression towards a universal language fair trial rights code The book reveals valuable lessons across jurisdictions including those outside Africa and suggests measures that may be taken to

improve existing approaches It will be a valuable resource for academics researchers and policy makers working in the areas of Law and Language Legal Linguistics Forensic Linguistics Criminal Justice and Comparative Law
