Quelque Chose Comme Un Grand Peuple:

The Public Intellectual in Canada Nelson Wiseman, 2013-01-01 The all star cast of contributors in this collection is a truly impressive assembly Many are widely know and will be familiar to the reader All of them have influenced public affairs in Canada as doers as well as thinkers and they span the ideological spectrum With them we explore and examine the place of the public intellectual in the context of a rapidly changing and diverse Canadian society in an increasingly interdependent world Contributors Michael Adams Maude Barlow Sylvia Bashevkin Gregory Baum Stephen Clarkson Tom Flanagan Pierre Fortin Alain G Gagnon Mark Kingwell John Richards Doug Saunders Hugh Segal Margaret Somerville Janice Gross Stein Nelson Wiseman page 4 of cover

The Guardian Patrice Dutil, 2011-06-18 Finance departments have often been portrayed as guardians of the public purse In The Guardian a multidisciplinary group of contributors examines the Ministry of Finance of Ontario since the Second World War During the last sixty years the Ministry was transformed from a relatively small Treasury to a sophisticated policy machine What started as a modest bookkeeping operation evolved into a key bureaucratic and policy agency as the government of Ontario assumed a leadership position in developing the province These essays reveal Ontario's finance as a dynamic policy issue shaped by the personalities of premiers and ministers the energies of public servants at all levels and a critical dialogue between political and administrative worlds Drawing on different methodologies this collection profiles a ministry as policy entrepreneur spender revenue generator capacity builder budget director program manager and intergovernmental agent The Guardian fills a significant gap in public administration literature and in so doing describes how Ontario's Ministry of Finance defined its role as guardian

Interculturalism Gerard Bouchard, 2015-02-05 Accommodating ethnic diversity is a major challenge for all democratic nations and a topic that has attracted a great deal of attention in the last few decades Within Quebec a new approach has emerged that seeks a balance between the needs of minorities and those of the majority In Interculturalism sociologist and historian Gerard Bouchard presents his vision of interculturalism as a model for the management of diversity A pluralist approach which recognizes the existence of a cultural majority whose rights must also be acknowledged interculturalism constitutes an important alternative to multiculturalism both in Canada and internationally Written by one of Quebec's leading public intellectuals and the co chair of the Bouchard Taylor Commission on reasonable accommodation Interculturalism is the first clear and comprehensive statement in English of an approach being discussed around the world A translation of Bouchard's award winning French language work L'Interculturalisme Un point de vue qu'bécois this book features a new foreword by philosopher Charles Taylor and an afterword by the author written specifically for the English language edition

Comparative Constitutional History Francesco Biagi, Justin O. Frosini, Jason Mazzone, 2022-12-05 Constitutions are a product of history but what is the role of history in interpreting and applying constitutional provisions This volume addresses that question from a comparative perspective examining different uses of history by courts in determining constitutional

meaning The book shows that there is considerable debate around the role of history in constitutional adjudication Are for example historical public debates over the adoption of a constitution relevant to reading its provisions today If a constitution represents a break from a prior repressive regime should courts construe the constitution s provisions in light of that background Are former constitutions relevant to interpreting a new constitution Through an assessment of current practices the volume offers some lessons for the future practices of courts as they adjudicate constitutional cases Contributors are Mark D Rosen Jorge M Farinacci Fern s Justin Collings Jean Christophe B dard Rubin Cem Tecimer ngel Aday Jim nez Alem n Ana Beatriz Robalinho Keigo Obayashi Zolt n Szenté Shih An Wang and Diego Werneck Arguelhes

Nationalism and the Politics of Culture in Quebec Richard Handler,1988 Richard Handler s pathbreaking study of nationalistic politics in Quebec is a striking and successful example of the new experimental type of ethnography interdisciplinary in nature and intensively concerned with rhetoric and not only of anthropologists but also of scholars in a wide range of fields and it is likely to stir sharp controversy Bringing together methodologies of history sociology political science and philosophy as well as anthropology Handler centers on the period 1976 1984 during which the independantiste Parti Qu b ois was in control of the provincial government and nationalistic sentiment was especially strong Handler draws on historical and archival research and on interviews with Quebec and Canadian government officials as he addresses the central question Given the similarities between the epistemologies of both anthropology and nationalist ideology how can one write an ethnography of nationalism that does not simply reproduce and thereby endorse nationalistic beliefs Handler analyzes various responses to the nationalist vision of a threatened existence He examines cultural tourism ideology of the Quebec government legislations concerning historical preservation language legislation and policies towards immigrants and cultural minorities He concludes with a thoughtful meditation on the futility of nationalisms

préhistoire du Québec Patrick Couture, 2019-09-25T00:00:00-04:00 Ce magnifique coin de plan te que nous appelons aujourd'hui le Québec et qui a vu naître notre peuple n'a pas commencé à exister au XVI^e siècle avec l'arrivée de Jacques Cartier loin de là. Il s'agit d'un territoire vieux de plusieurs milliards d'années qui a traversé de cataclysmes extraordinaires où ont volé et parfois disparu d'innombrables espèces animales et dont les montagnes, les rivières, les cratères et les reliefs racontent une population qui a passé l'entendement. Les colons français qui vinrent s'établir ici ne surgissaient pas du néant, eux non plus. La civilisation dont ils étaient issus s'était établie pendant de nombreux siècles sur le sol de ce que nous appelons aujourd'hui la France, façonnée par les contributions de plusieurs peuples tels que les Gaulois, les Romains et les Francs. Et parmi leurs ancêtres, ces tribus ancestrales qui levèrent des mégalithes travers l'Europe ou celles qui les premières peuplèrent ce continent pour se retrouver face à face avec une espèce humaine maintenant teinte. Les Néandertaliens. Voilà le stupéfiant récit que raconte ce livre. Découvrir les lointaines origines du Québec et des Québécois, c'est ultimement apprendre mieux se connaître soi-même. **Un**

cégep dans la rue Collectif, 2014-04-17T00:00:00-04:00 Cet ouvrage rassemble les réflexions et les photos des personnes qui ont voulu témoigner des onze semaines de grève étudiante au cégep régional de Lanaudière Joliette au printemps 2012. Par cet assemblage, l'auteure a réussi à personnifier et donner du sens à une série d'événements. Comme le dit fièrement une étudiante dans son témoignage : J'ai la photo, son texte et sa signature le prouvent bien. Dans son sens anthropologique, la photographie témoigne d'un vécu. Elle permet de visualiser le terrain de l'événement, d'illustrer les lieux, les personnes. Ainsi, ces photos et ces textes feront partie de la mémoire de celles et ceux qui étaient présents. Pour les autres, ils s'inscriront dans la chronologie plus large du mémorable printemps 2012 au Québec. **Madame Tout-le-monde T4, Vent de folie** Juliette

Thibault, 2014-09-18T00:00:00-04:00 Après Marie la rebelle, la sage Marie Reine et la fantasque Anne Marie, c'est au tour de Valérie d'accomplir sa destinée de femme. Amèrement due que Fabrice ait rompu, Valérie ne se sent pas la force de le voir parader avec la femme de ses rêves qu'il compte pousser et ramener Cap aux Brumes. Elle choisit de s'établir au Québec, où bien vite elle se sent perdue et s'ennuie des siens. Habituée à vivre dans une maison où trois générations cohabitent en harmonie, la jeune femme se retrouve seule pour la première fois de sa vie. Son voisin, la mine patibulaire, la terrifie, mais bien vite le tourbillon de la vie lui apporte quelques amis, quantité de surprises et de problèmes à résoudre. Un vent de folie souffle sur le monde et le Québec en particulier. Les progrès technologiques fulgurants branlent les assises de la société autant dans son mode de vie que dans ses valeurs les plus profondes. Les jeunes militent pour la paix dans le monde, mais cela ne les empêche pas de livrer une lutte acharnée aux tabous. La Révolution tranquille ne se fera pas dans le calme. Naïve et hypersensible, Valérie s'expose à une foule de illusions. Sa vie ressemble à un manège de montagnes russes et sa résilience sera mise plus d'une fois à l'épreuve. **A**

Sociocritique of Translation Annie Brisset, 1996 In this ground breaking study, Annie Brisset attempts to extend the parameters of translation theory to encompass a consideration of ideology and history. Newly translated into English, the study was awarded the Ann Saddlemyer Prize in 1991 by the Association for Canadian Theatre History. It focuses on the

translation of theatrical texts in Quebec during the years 1968-88 a period marked by the search for a national identity when foreign works were not just translated but rather traduit en quebecois in an effort to counteract the influence of the dominant English culture in Canada and of the colonial legacy of European French As Brisset shows such translation was especially apparent in the developing Quebecois theatre for drama affords a uniquely immediate link with the collective consciousness a link that was strengthened during this period by the rise of social realist theatre in Quebec
