**Historiography and Hermeneutics in Jesus Studies** Donald L. Denton, 2004-05-01 This work identifies two distinct methodological approaches in Jesus studies as represented by the work of two prominent historical Jesus scholars Dominic Crossan and Ben Meyer Crossan's work is the apotheosis of a venerable approach centered on tradition criticism Meyer offered a critique of this approach in the form of a historiographic holism This work brings Meyer's proposals to light in a sharp comparison with the historiographic assumptions he criticized It goes beyond Meyer recognizing the full significance of narrativity in historical method Chilton's Challenge James B Battles, 2010-06-06 This is a two act play which is the story of

James Chilton the oldest pilgrim passenger on the Mayflower He was born a Roman Catholic in Canterbury County Kent England and died a committed separatist off Cape Cod in the new world His wife Susanna was the only pilgrim female to have been excommunicated by the Church of England James and his family were harried out of the country in the words of King James because of their religious beliefs and fled to Leiden in the Netherlands James his wife Susanna and his youngest daughter Mary were passengers on the Mayflower leaving their two older daughters behind in Leiden The challenge of his life repents that of many of our pilgrim fathers and explains how and why they came to America The second act of the play tells the story of the Pilgrims first years through the voice of Mary Chilton **Official Gazette of the United States**

**Major-General Hezekiah Haynes and the Failure of Oliver Cromwell's Godly Revolution, 1594-1704** David Farr, 2020-05-27 Hezekiah Haynes was shaped by the Puritanism of his father's network and experienced emigration to New England as part of a community removing themselves from Charles I's Laudianism. Returning to fight in the British Civil Wars, Haynes rose to become Cromwell's ruler of the east of England, tasked with bringing about a godly revolution and, in rising to prominence, he became the centre of his own developing political and religious network which included a kin link to Cromwell himself. As one of Cromwell's Major Generals, Haynes was tasked with security and a reformation of manners but he was hampered by the limits of the early modern state and Cromwell's own contradictory political and religious ideas. The Restoration saw Haynes imprisoned in the Tower before emerging to return to the community in which he had been raised and continuing the links with some of those he had worked with for Cromwell and the kin he had left behind in New England in dealing with the norms of early modern life. This book will appeal to specialists in the area and students taking courses on early modern English and American history as well as those with a more general interest in the period.

*Dictionary of Jesus and the Gospels (2nd edn)* J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible: the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909. In the more than eight decades since Hastings, our understanding of Jesus, the Evangelists and their world has grown remarkably. New interpretive methods illuminated the text; the ever-changing profile of modern culture has put new questions to the Gospels; and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day. But for many readers of the Gospels, the new outlook on the Gospels remains hidden within technical journals and academic monographs. The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors, teachers, students and lay people desiring in-depth treatment of select topics in an accessible and summary format. The topics range from cross-sectional themes such as faith, law, Sabbath to methods of interpretation such as form criticism, redaction criticism, sociological approaches from key events such as the birth, temptation and death of Jesus to each of the four Gospels as a whole. Some articles such as the Dead Sea Scrolls, rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man, ancient rhetoric and the chreiai. Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels, there is an extensive article on preaching from the Gospels. The Dictionary of

Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church     *The Insurgency of the Spirit* Robert E. Shore-Goss,2020-10-06 The Insurgency of the Spirit taps mutli disciplinary methodologies of post colonial biblical scholarship and anthropology liberation theologies indigenious studies grief trauma research and nature meditation writings to shape a constructive retrieval of the animist Jesus The vision that emerges is one that sets forward an Earth loving Jesus who challenges Christians in particular to mobilize against the destructive relationship that exists between imperial religion and political systems     *Chilton's Automotive Industries* ,1994     [Criteria for Authenticity in Historical-Jesus Research](#) Stanley E. Porter,2004-12-10 Historical Jesus research continues to captivate the interests of scholars Recently there has been renewed discussion of the criteria for authenticity This study traces the history of this type of research especially in terms of authenticity criteria     **General Minutes of the Annual Conferences of the United Methodist Church in the United States, Territories, and Cuba** Methodist Church (U.S.),1917     **Minutes of the Annual Conferences of the Methodist Episcopal Church** Methodist Episcopal Church,1860     *Minutes of the Annual Conferences of the Methodist Episcopal Church for the Years 1773-1881* Methodist Episcopal Church. Conferences,1860     **The Blackwell Companion to Jesus** Delbert Burkett,2013-11-11 The Blackwell Companion to Jesus features a comprehensive collection of essays that explore the diverse ways in which Jesus has been imagined or portrayed from the beginnings of Christianity to the present day Considers portrayals of Jesus in the New Testament and beyond Jesus in non Christian religions philosophical and historic perspectives modern manifestations and representations in Christian art novels and film Comprehensive scope of coverage distinguishes this work from similar offerings Examines both Christian and non Christian perspectives on Jesus including those from ethnic and sexual groups as well as from other faiths Offers rich and rewarding insights which will shape our understanding of this influential figure and his enduring legacy     **Scripture, Interpretation, or Authority?** Thomas Kazen,2013-11-15 In this study of motives and arguments in Jesus halakic conflicts Thomas Kazen suggests a way beyond the use of traditional criteria of authenticity Employing results from recent research on the development of halakah during the Second Temple period which outlines trajectories and areas of tension within and between various Jewish movements the author revisits the Synoptic conflict narratives about Sabbath observance purity rules and divorce practices Kazen disentangles theological motives from reasonable historical explanations and suggests relative dates and contexts for motives and arguments often ascribed to Jesus He questions interpretations which focus on unique authority and suggests that Jesus stance is better explained within the framework of prophetic criticism and a traditional Israelite understanding of Torah With this study he contributes as much to our understanding of halakic development during the Second Temple period as he does to our understanding of the historical Jesus and his relationship to contemporary movements     **Jesus and the Forgiveness of**

**Sins** Tobias Hägerland, 2011-11-10 The Gospels record that Jesus purported to forgive sins What significance would such a claim have had for his contemporaries and what would the implications have been for his identity as a first century popular prophet Tobias Hägerland answers these questions and more as he investigates the forgiveness of sins in the mission of the historical Jesus The Gospels are interpreted within the context of first century Judaism as part of a broader reconstruction of Jesus' career as a healer and prophet and rhetorical criticism is introduced as a tool for explaining how the gospel tradition about Jesus and forgiveness developed Hägerland combines detailed exegesis and rigorous methodology with a holistic view of the historical Jesus evaluating recent scholarship about first century Jewish prophets and utilizing previously neglected textual evidence to present a thorough investigation of the theology of forgiveness in early Judaism and primitive Christianity

*Chilton's Food Engineering*, 1997-07      Interaction Between Judaism and Christianity in History, Religion, Art, and Literature Marcel Poorthuis, Joshua Jay Schwartz, Joseph Turner, 2009 This volume contains essays dealing with complex relationships between Judaism and Christianity taking a bold step assuming that no historical period can be excluded from the interactive process between Judaism and Christianity conscious or unconscious as either rejection or appropriation

*Inventing Christic Jesuses, Volume 1* Charles A. Wilson, 2017-11-09 Inventing Christic Jesuses is the first comprehensive proposal for how revisionist theology can deploy historical Jesus research in a methodologically sophisticated way Rejecting positions that insulate theology from Jesus research the proposal sets out warrants and rules for a quested Christology in dialogue with an analysis of the conduct of historians of Jesus from the period of the Third Quest c 1980-2010 The volume Method analyzes for theology the methods and values of historical research on Jesus It argues that the methodic construction of historical images of Jesus in conversation with sources is simultaneously a retrojective activity of value production First in defining the terms of the inquiry Wilson locates a middle ground between hostility to questing and a too ready application of historical results to Christology He then identifies rules and warrants for the deployment of Jesus research in theology and reconstructs the notion of the retrojection of value in the production of a historical Jesus The volume ends with a case study of retrojective Jesus production an analysis and assessment of the new notion that Jesus is a sage in the tradition of wisdom

**Jesus of Nazareth** Maurice Casey, 2010-12-30      *Searching for Meaning* Paula Gooder, 2008-08-27 In this clear comprehensive student friendly textbook biblical scholar and teacher Paula Gooder describes and illustrates the range of approaches to interpreting the New Testament as taught in universities and seminaries throughout the English speaking world Top scholars give a short definition of a particular criticism and then Gooder gives a practical example to demonstrate how that criticism can be applied to a biblical text A very broad range of methods is introduced from traditional criticisms such as source criticism and historical criticism to more modern methods such as feminist criticism and liberation criticism Readers will understand how different meanings and emphases can be drawn from a text depending upon the method of interpretation chosen They will also be given the skills to start analyzing and examining texts for themselves in a meaningful
