**IDENTIFY MEANINGS: FOLLOW THE FILM**

The authors give us several clues throughout the story that indicate to believe that the correct meaning of their words is indeed a vampire rabbit!

**EXTRACTS: CHARACTER TRAITS**

The author has given us a lot of clues to give her character names. Before the character even has fully revealed himself, she provides her own commentary with her own words and still leaves. However, we can learn more about them, as you begin to get out the character traits of these authors that follow. Try to use the information and evidence that you find to help you to help the reader understand why the character is the way he or she is, or what the author is trying to say.

**VISUAL PLANNING: STORYBOARDING**

When an author starts to write a story, they often think of a lot of what they are going to do, and often develop a storyboard or a series of small pictures or drawings that they can use to help them to plan their story. A storyboard is a series of small pictures or drawings that they can use to help them to plan their story.
