Lawrence* Karen Lawrence,Betsy Seifter,Lois Ratner,1985 Provides chronologies for thirty five poets and novelists including Coleridge Tennyson Eliot Dickens and Woolf and includes essay questions and answers concerning their major works Late Stevens B. J. Leggett,2005-07-01 If one no longer believes in God as truth Wallace Stevens once wrote it is not possible merely to disbelieve it becomes necessary to believe in something else I say that one s final belief must be in a fiction Stevens addressed the concept of a supreme fiction throughout much of his career but many critics feel that his poems never realized that concept beyond a theoretical possibility B J Leggett argues that Stevens did indeed achieve the supreme fiction in his often overlooked late poems To share in the poet s vision though Leggett finds that readers must understand the ingenious intertext that runs through this culminating body of work After three volumes of difficult and abstract poetry

Stevens in the last five years of his life reverted to a style that is refreshingly personal and accessible Leggett gives close examination to The Rock which is the closing section of Stevens s Collected Poems and to the uncollected poems published as Opus Posthumous supplying readers with the motifs conventions texts and fictions or intertext on which these works significance depends He ultimately shows that there is a kind of master narrative in Stevens s late poems one that is not always explicitly present but that is based on the supreme fiction It is here that Stevens gives form to his belief Leggett traces the development of this fiction and demonstrates how knowledge of its presence dramatically changes the reading of key poems His discussion of Schopenhauer s influence on Stevens together with rich analyses of major poems challenges to conventional interpretations and speculation on the direction Stevens s poetry might have taken had he lived longer all make for provocative reading Late Stevens is a book for anyone who thought they knew this poet **Current Opinion** ,1902
