

I press my fingertips
to the scars of your forearm
and trail the stitch marks
as my eyes well

and you tell me
that your insides
aired themselves that day.

That tissue saw sunlight
for the first time,
when a canyon
was carved into you
by someone assigned
to provide you care.

And I wondered
if it was with care
that they took you away
and settled you in a home,
away from
your flesh,
your blood,
your bone;

if it was with care,
that you were given
their brand.

Poems For English Homelanguage:

The Changing World of Contemporary South Asian Poetry in English Mitali P. Wong, M. Yousuf Saeed, 2019-07-02

This collection uses a transnational approach to study contemporary English language poetry composed by poets of South Asian origin. The poetry contains themes, motifs, and critiques of social changes, and the contributors seek to encapsulate the continually changing environments that these contemporary poets write about. The contributors show that English language poetry in South Asia is hybridized with imagery and figurative language adapted from the vernacular languages of South Asia. The chapters examine women's issues, concerns of marginalized groups such as the Dalit community, and the people of Northeastern India, social changes in Sri Lanka, the changing society of Pakistan, and the formation of the identity in the several nation states that resulted from the British colony of India.

Old English Poetry: An Anthology R.M. Liuzza, Joseph Black, Leonard Conolly, Kate Flint, Isobel Grundy, Don LePan, Jerome J. McGann, Anne Lake Prescott, Barry V. Qualls, Claire Waters, 2014-03-26

R.M. Liuzza's Broadview edition of *Beowulf* was published at almost exactly the same time as Seamus Heaney's in reviewing the two together in July 2000 for *The New York Review of Books*. Frank Kermode concluded that both translations were superior to their predecessors and that it was impossible to choose between the two; the less celebrated translator can be matched with the famous one he wrote, and Liuzza's book is in some respects more useful than Heaney's. Ever since the Liuzza *Beowulf* has remained among the top sellers on the Broadview list. With this volume, readers will now be able to enjoy a much broader selection of Old English poetry in translations by Liuzza. As the collection demonstrates, the range and diversity of the works that have survived is extraordinary, from heartbreaking sorrow to wide-eyed wonder, from the wisdom of old age to the hot blood of battle, and to the deepest and most poignant loneliness. There is breathless storytelling and ponderous cataloguing, there is fervent religious devotion and playful teasing. The poems translated here are meant to provide a sense of some of this range and diversity; in doing so, they also offer significant portions of three of the important manuscripts of Old English poetry: the Vercelli Book, the Junius Manuscript, and the Exeter Book.

Poetry and the Language of Oppression Carmen Bugar, 2021

Translanguaging with Multilingual Students Ofelia García, Tatyana Kleyn, 2016-06-10

Looking closely at what happens when translanguaging is actively taken up to teach emergent bilingual students across different contexts, this book focuses on how it is already happening in classrooms as well as how it can be implemented as a pedagogical orientation. It extends theoretical understandings of the concept and highlights its promises and challenges. Using a Transformative Action Research design, six empirically grounded ethnographic case studies describe how translanguaging is used in lesson designs and in the spontaneous moves made by teachers and students during specific teaching moments. The cases shed light on two questions: How, when, and why is translanguaging taken up or resisted by

students and teachers What does its use mean for them Although grounded in a U S context and specifically in classrooms in New York State Translanguaging with Multilingual Students links findings and theories to different global contexts to offer important lessons for educators worldwide
