

Going off to College

You have made me so proud with your achievements and I cannot believe that this day has actually arrived where you fly the nest and head off to college. And as much as it pains me to let you go I know that this is only the beginning of your independence. College is the road to your success, a place where visions are created and dreams come true. You will make many friends and learn new things about yourself. You will find your independence and grow from it.

Remember when you feel that little bit overwhelmed by all your work or things are getting too much - remember my love for you - my hope for you - that I believe in you - now you just have to believe in yourself.

*Call Me when you need to,
and call me just because...*

*I want you to know how very
much I love you and I wish you the
very best of success.*
