

Martin Trust Center for MIT Entrepreneurship – Sample Discussion Guide for contextual interview

May 13, 2011

Agenda

- Intro-uctions, paperwork, setup AV, take picture of subject (5 minutes)
- Subject's background, major, interests (15 minutes)
- Subject's knowledge and interest in entrepreneurship (15 minutes)
- Subject's learning/ research style: how do they like to have information served to them? (15 minutes)
- How can we reach the subject and serve their needs and wants? (15 minutes)
- Wrapup (5 minutes)

Intro/paperwork checklist (5m)

- Break the ice – make subject comfortable
- Take picture of subject
- Have subject fill out demographics questionnaire if not already done
- Sign 2 copies of photo consent form, give subject 1 to keep
- Incentive payment if any

Background/major (15m)

- How long have you been at MIT?
- What made you choose MIT?
- What interested you most about your major that made you pick it?
- How do you feel about your major now that you've had a chance to explore it?
- Do you see yourself pursuing a career in this area? Why or why not?

- What do you think is your greatest professional strengths and weaknesses? It's ok to extrapolate.
- Imagine it's now 5 years after you graduated – what do you see yourself doing for work? Own company v working for someone? Big/small company? Role? Why?

Knowledge and interest in entrepreneurship (15m)

- What does the word "startup" make you think of? What does it mean to you? (want knee jerk response)
- In the screening questionnaire you told us you are interested in starting a company or working in a startup. Tell us more about that. (let subject lead, nudge conversation along to learn more about their startup interest)
- Let's take (something they said) as an example. Walk us through how you would go about achieving that. (e.g. if they say they want to start a company, have them walk through a thought experiment of how they would get it off the ground and what the first year of life would be like.)
- If you were to (execute some plan they mentioned e.g. start a company or join a company) today, how would you get started? Web research? Take a class? Talk to people? Tell me how you would approach this.
- What is the area you are the most confident about regarding (their startup interest)?
- What area do you feel the most insecure about? Tell me more. Why do you feel this way about (insecure area)?

Qualitative Discussion Guide For Physicians Introduction

In today's digital age, the availability of Qualitative Discussion Guide For Physicians books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Qualitative Discussion Guide For Physicians books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Qualitative Discussion Guide For Physicians books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Qualitative Discussion Guide For Physicians versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Qualitative Discussion Guide For Physicians books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Qualitative Discussion Guide For Physicians books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Qualitative Discussion Guide For Physicians books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and

historical documents. In conclusion, Qualitative Discussion Guide For Physicians books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Qualitative Discussion Guide For Physicians books and manuals for download and embark on your journey of knowledge?

FAQs About Qualitative Discussion Guide For Physicians Books

What is a Qualitative Discussion Guide For Physicians PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Qualitative Discussion Guide For Physicians PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools.
