Eyes Only Lisa Funnell,2015-10-20 The release of Skyfall in 2012 marked the fiftieth anniversary of the James Bond film franchise It earned over one billion dollars in the worldwide box office and won two Academy Awards Amid popular and critical acclaim some have questioned the representation of women in the film From an aging M to the limited role of the Bond Girl and the characterization of Miss Moneypenny as a defunct field agent Skyfall develops the legacy of Bond at the expense of women Since Casino Royale 2006 and its sequels Quantum of Solace 2008 and Skyfall constitute a reboot of the franchise it is time to question whether there is a place for women in the new world of James Bond and what role they will play in the future of series This volume answers these questions by examining the role that women have historically played in the franchise which greatly contributed to the international success of the films This academic study constitutes the first book length anthology on femininity and feminism in the Bond series It covers all twenty three Eon productions as well as the spoof Casino Royale 1967 considering a range of factors that have shaped the depiction of women in the franchise including female characterization in Ian Fleming s novels the vision of producer Albert R Broccoli and other creative personnel the influence of feminism and broader trends in British and American film and television The volume provides a timely look at women in the Bond franchise and offers new scholarly perspectives on the subject **Computer Games and New Media**

Cultures Johannes Fromme,Alexander Unger,2012-06-14 Digital gaming is today a significant economic phenomenon as well as being an intrinsic part of a convergent media culture in postmodern societies Its ubiquity as well as the sheer volume of hours young people spend gaming should make it ripe for urgent academic enquiry yet the subject was a research backwater until the turn of the millennium Even today as tens of millions of young people spend their waking hours manipulating avatars and gaming characters on computer screens the subject is still treated with scepticism in some academic circles This handbook aims to reflect the relevance and value of studying digital games now the subject of a growing number of studies surveys conferences and publications As an overview of the current state of research into digital gaming the 42 papers included in this handbook focus on the social and cultural relevance of gaming In doing so they provide an alternative perspective to one dimensional studies of gaming whose agendas do not include cultural factors The contributions which range from theoretical approaches to empirical studies cover various topics including analyses of games themselves the

player game interaction and the social context of gaming In addition the educational aspects of games and gaming are treated in a discrete section With material on non commercial gaming trends such as modding and a multinational group of authors from eleven nations the handbook is a vital publication demonstrating that new media cultures are far more complex and diverse than commonly assumed in a debate dominated by concerns over violent content **James Bond Uncovered** Jeremy Strong,2018-05-29 This volume brings fresh perspectives to the study of James Bond With a strong emphasis on the process of Bond s incarnation on screen and his transit across media forms chapters examine Bond in terms of adaptation television computer games and the original novels Film nonetheless provides the central focus with analysis of both the corpus as a whole from Dr No to Spectre and of particular films from popular and much discussed movies such as Goldfinger and Skyfall to comparatively under examined texts such as the 1967 Casino Royale and A View to a Kill Contributors expertise and interests encompass such diverse aspects of and approaches to the Bond stories as Sound Design Empire Food and Taste Geo politics Feminist re reading Tarot Landscape and Sets ThirdWay ,2008-12 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture **The Signs of James Bond** Daniel Ferreras Savoye,2013-01-30 This book is an analysis of the most significant elements that compose the Bond formula such as names binary oppositions and narrative patterns It tackles Ian Fleming s novels as well as the 22 films of the Eon Productions series and follows the evolution of certain determining features paradigms from the text to the screen to determine their function within the narration This study reveals how the James Bond universe goes well beyond mere spy adventures to become a genre in itself as well as now a standard cultural reference The book also shows that the underlying ideology of the James Bond narration is not as conservative as it might appear for it promotes ideals of the Enlightenment period such as secularity pragmatism and the common good **Game Informer Magazine** ,2009 **Windows 7 Secrets** Paul Thurrott,Rafael Rivera,2009-08-31 Tips tricks treats and secrets revealed on the latest operating system from Microsoft Windows 7 You already know the ups and downs of Windows Vista now it s time to learn the ins and outs of Windows 7 Internationally recognized Windows experts Microsoft insiders and authors Paul Thurrott and Rafael Rivera cut through the hype to pull away the curtain and reveal useful information not found anywhere else Regardless of your level of knowledge you ll discover little known facts on how things work what s new and different and how you can modify Windows 7 to meet your own specific needs A witty conversational tone tells you what you need to know to go from Windows user to Windows expert and doesn t waste time with basic computer topics while point by point comparisons demonstrate the difference between Windows 7 features and functionality to those in Windows XP and Vista Windows 7 is the exciting update to Microsoft s operating system Authors are internationally known Windows experts and Microsoft insiders Exposes tips tricks and secrets on the new features and functionality of Windows 7 Reveals best practices for customizing the system to work for you Investigates the differences between Windows 7 and previous versions of Windows No need to whisper Window 7 Secrets
