Johann Gottfried Herder on World History: An Anthology Michael Palma, Johann Gottfried Herder, Hans Adler, Ernest A. Menze, 2015-06-01 Johann Gottfried Herder 1744 1803 was an influential German critic and philosopher whose ideas included cultural nationalism that every nation has its own personality and pattern of growth This anthology contains excerpts from Herder s writings on world history and related topics **The Cambridge World History** Merry E. Wiesner-Hanks, David Christian, Graeme Barker, Benjamin Z. Kedar, Norman Yoffee, Craig Benjamin, Jerry H. Bentley, John Robert McNeill, 2015 The most comprehensive account yet of the human past from prehistory to the present *The Cambridge World History: Volume 5, Expanding Webs of Exchange and Conflict, 500CE-1500CE* Benjamin Z. Kedar, Merry E. Wiesner-Hanks, 2015-04-09 Volume 5 of the Cambridge World History series uncovers the cross cultural exchange and conquest and the accompanying growth of regional and trans regional states religions and economic systems during the period 500 to 1500 CE The volume begins by outlining a series of core issues and processes across the world including human relations with nature gender and family social hierarchies education and warfare Further essays examine maritime and land based networks of long distance trade and migration in agricultural and nomadic societies and the transmission and exchange of cultural forms scientific knowledge technologies and text based religious systems that accompanied these The final section surveys the development of centralized regional states and empires in both the eastern and western hemispheres Together these essays by an international team of leading authors show how processes furthering cultural commercial and political integration within and between various regions of the world made this millennium a proto global era

The Atlantic Slave Trade in World History Jeremy Black, 2024-02-05 Now in its second edition The Atlantic Slave Trade in World History has been updated to include recent scholarship and an analysis of how debates have changed in light of recent key events such as the Black Lives Matter movement Primarily focused on the Atlantic Slave Trade this study places slavery within a broader world context and includes significant detailed coverage of Africa With a chronological approach it guides students through the origins of the Atlantic Slave Trade to its expansion and eventual abolition Its final chapters explore the legacy of the Atlantic Slave Trade by comparing it to other systems of slavery outside of the Atlantic region and analyze the persistence of modern day slavery As well as offering an analysis of historiography the updated bibliography and conclusion which considers the recent Black Lives Matter protests and their aftermath provide a fresh account of how slavery has shaped our understanding of the modern world Unmatched in its breadth of information chronological sweep and geographical coverage The Atlantic Slave Trade in World History is the most useful introductory resource for all students who study the Atlantic Slave Trade in a world context **The Cambridge World History: Volume 2, A World with Agriculture, 12,000 BCE-500 CE** Graeme Barker, Candice Goucher, 2015-04-16 The development of agriculture has often been described as the most important change in all of human history Volume 2 of the Cambridge World History series

Making Sense of World History Rick Szostak, 2020-10-22 Making Sense of World History is a comprehensive and accessible textbook that helps students understand the key themes of world history within a chronological framework stretching from ancient times to the present day To lend coherence to its narrative the book employs a set of organizing devices that connect times places and or themes This narrative is supported by Flowcharts that show how phenomena within diverse broad themes interact in generating key processes and events in world history A discussion of the common challenges faced by different types of agent including rulers merchants farmers and parents and a comparison of how these challenges were addressed in different times and places An exhaustive and balanced treatment of themes such as culture politics and economy with an emphasis on interaction Explicit attention to skill acquisition in organizing information cultural sensitivity comparison visual literacy integration interrogating primary sources and critical thinking A focus on historical episodes that are carefully related to each other Through the use of such devices the book shows the cumulative effect of thematic interactions through time communicates

the many ways in which societies have influenced each other through history and allows us to compare and contrast how they have reacted to similar challenges They also allow the reader to transcend historical controversies and can be used to stimulate class discussions and guide student assignments With a unified authorial voice and offering a narrative from the ancient to the present this is the go to textbook for World History courses and students The Open Access version of this book has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Navigating World History P. Manning, 2003-05-15 World history has expanded dramatically in recent years primarily as a teaching field and increasingly as a research field Growing numbers of teachers and Ph Ds in history are required to teach the subject They must be current on topics from human evolution to industrial development in Song dynasty China to today s disease patterns and then link these disparate topics into a coherent course Numerous textbooks in print and in preparation summarize the field of world history at an introductory level But good teaching also requires advanced training for teachers and access to a stream of new research from scholars trained as world historians In this book Patrick Manning provides the first comprehensive overview of the academic field of world history He reviews patterns of research and debate and proposes guidelines for study by teachers and by researchers in world history
