Use the following quote, and your knowledge of world history, to answer questions 8–11.

“We have heard that up through the Three Dynasties the Buddha was never spoken of. It was only from the Han and Wei on that the religion of idols gradually came to prominence. So in this latter age it has transmitted its strange ways, insidiously its infection with every opportunity, spreading like a rampant vine, until it has poisoned the customs of our nation, gradually — and before anyone was aware, it beguiled and confounded men’s minds so that the multitudes have caused men to abandon their lands and parents for the company of teachers, and sewers men and wife with its monastic decrees, in destroying law and injuring mankind, indeed, nothing surpasses this doctrine!”

Lazarus, S. Cohen, K. Lambert, R. E., 2013-03-12 The idea for this book came while I was observing a student teacher and a master teacher I realized that most student

teachers while in training do not have the opportunity to think creatively about their lessons I also noticed that teachers new to the field of teaching suffer the same fate they are too busy trying to survive the day and are not sure how to plan and organize their teaching Lesson plans are one of the most important tools for a teacher and more important for the novice teacher I believe that during student teaching or during their undergraduate years if students were equipped with this book their first year teaching will not look so first year Imagine an undergraduate class filled with soon to be Social Studies teachers discussing these selected lesson plans improving upon them and making them their own Most first year teachers over teach or under teach and both types still miss the marks on the standardized test These lesson plans will give the new teacher a place to begin
