2. What is the difference between a strong and a weak password?	A strong password is one that is long and complex , while a weak password is one that is short and simple .	

Explain the components of the business case		
<p>Investment Case</p> <p>Investment case is a business case that justifies the investment in a project or program. It is a document that describes the benefits of the investment and the costs of the investment. It is used to help decision makers understand the value of the investment and to make a decision on whether to invest or not.</p> <p>Investment case is a business case that justifies the investment in a project or program.
