Worlds Collide Sanctuary English Edition:

Curses With Benefits Amy Laurens, 2023-02-01 Wrestling with insomnia leaves Harry desperate enough to do the unthinkable summon a demon for assistance Naturally he gets more than he bargained for in this two for one deal that leaves him fighting for an unexpected ally's life Of course unexpected allies sometimes bring unexpected gifts as well A quirky urban fantasy tale about making friends in surprising places for readers who appreciate moral shades of grey *A Wolf For Christmas* Amy Laurens, 2020-12-15 Kitty's husband returns from the magical war distant and reserved To help him recover she plans the perfect albeit belated Christmas Red and gold ornaments Boxes with bows She hopes her husband loves everything even the present under the tree that well wriggles But Doug can smell it from all the way across the room And he doesn't like what he smells Does this spell the end of their relationship after all A richly imagined private moment in a world where people can choose to be transformed for the sake of their country for everyone who wants to believe that soldiers deserve a happy ending *Forget* Amy Laurens, 2020-08-01 Simon Baker 86 aging rapidly in an aged care facility Just an ordinary man coming to the end of an ordinary life Except something else tickles the edges of his mind of his memory If only he could remember his real identity Before time runs out A quiet science fiction tale about the importance of memory that resonates with anyone who's ever watched a loved one fade away *Sea Foam And Blood* Amy Laurens, 2020-03-01 When Adelaide falls from her horse in the paddock near home her mother freaks out But not without cause Adelaide's terminal illness grows worse by the day eating away at her energy her body and her independence But that's nothing compared to the tragedy that happens next in the paddock a tragedy that threatens everything Adelaide holds dear Inspired by Greek mythology *Sea Foam and Blood* reminds readers of the importance of self determination in crafting a better future for ourselves **The Day The Dog First Called** Amy Laurens, 2021-02-01 The strange visitor arrives in the nick of time just as Natalie contemplates giving in to the feelers of darkness that surround her She can stay strong long enough to entertain a guest But after that Who knows A hopeful tale for everyone beset by the Black Dog *Where Two Worlds Clash* Gaurav Garg, England burns The year is AD 865 and the Viking Great Heathen Army has landed a ravenous serpent coiling around the Saxon kingdoms For Eadric of Northwic a young thegn whose world is shattered by the brutal fall of his home the invasion means the loss of everything his family his freedom his future Dragged into captivity he becomes a thrall in the fearsome shadow of Ivar the Boneless witnessing firsthand the strategic genius and pitiless cruelty of the Norse conquerors But within Eadric the embers of defiance refuse to die His daring escape into the treacherous fenlands ignites a spark of resistance transforming him into the elusive Fenland Ghost a leader of men striking from the shadows His path will ultimately lead him to the last bastion of Saxon hope King Alfred of Wessex Meanwhile Astrid a formidable Norse shield maiden rides with the invading host her axe earning her renown But the relentless bloodshed and the decaying honor among her kinsmen ignite a crisis of conscience Choosing exile over allegiance to a corrupt jarl she embarks on a solitary journey

through the burgeoning lawless Danelaw From the turbulent port of Lundenwic to the Norse capital of Jorvik Astrid forges a new identity as an independent warrior her skills sought after her loyalties her own Yet a V lva s prophecy and the whispers of a resilient Saxon commander haunt her steps pulling her towards a destiny she never sought The Serpent s Fury plunges readers into the heart of 9th century England a land torn asunder by cultural collision and relentless warfare As Eadric rises from a vengeful fugitive to a key commander in Alfred s army and Astrid navigates the perilous path of an outcast seeking purpose their lives intersect in moments of conflict grudging respect and unexpected alliance Against the backdrop of legendary battles like Edington and the formation of the Danelaw this sweeping saga explores the true cost of war the enduring strength of the human spirit and the complex choices that shape legacies in an age where survival itself is a victory

Worlds Clash Robert Monzingo,2023-06-23 Lilith the Princess of Darkness gives a tour of some spine chilling episodes in human experience that gives us the opportunity to consider how rational beings can embark on self destructive campaigns The Princess is also a provocateur who uses ingenious recitation of old facts This work presents challenges with stark insights and bold interpretations Examining events through multiple prisms reveals hidden connections and intricate designs that produce exquisite models of evil forming a delicate tapestry of cruelty deserving to be hung in the Louvre of desolation The chain of dismal episodes forms a litany of horror that embraces mankind in Lilith s kiss of death Each event can be strung on a golden cord forming a necklace of black pearls The Sisyphean struggle to create a better world involves events that are heartbreaking because the tragedies they embody could easily be avoided with only a small application of rational thought Such temptation is seductive however because reason seldom prevails unless accompanied by a sprinkling of humor

To Dust Amy Laurens,2019-10-15 The stinking rotting Maliche devour the world one city at a time taking death away from humanity and replacing it with a shambling eternal half life Imber holds the box a magic box that may be the key to the Maliche s destruction If only she knew how to use it A post apocalyptic zombie story about the real value of death and life
