**Worst Ideas Ever** Daniel B. Kline, Jason Tomaszewski, 2011-07-08 Mistakes so big they seem like fodder for The Onion but they really *Latino History Day by Day* Caryn E. Neumann, Tammy S. Allen, 2013-05-09 This title takes a calendrical approach to illuminating the history of Latinos and life in the United States and adds more value than a simple this day in history through primary source excerpts and resources for further research Latino a history has been relatively slow in gaining recognition despite the population's rich and varied history Engaging and informative Latino History Day by Day A Reference Guide to Events will help address that oversight Much more than just a this day in history list the guide describes important events in Latino a history augmenting many entries with a brief excerpt from a primary document All entries include two annotated books and websites as key resources for follow up The day to day reference is organized by the 365 days of the year with each day drawing from events that span several hundred years of Latino a history from Mexican Americans to Puerto Ricans to Cuban Americans With this guide in hand teachers will be able to more easily incorporate Latino a history into their classes Students will find the book an easy to use guide to the Latino a past and an ideal starting place for research No Shame Laura Belbin, 2022-07-21 Shame shame we know your name Do we own it Being a woman that is Do we fuck We live in fear of how we look what we eat how we age and what we do Wow it's 2022 and we're still churning out that same old shit I've been told as you get older you care less Fucking great I can't wait to be menopausal with skunk like grey track lines in my hair saggy tits and miserable as shit I don't know about you but I'd quite like to have that experience the no fucks experience that is now before that all happens To have the confidence to believe in who I am It's a push we all have to make whether it be in our confidence over our bodies who we are as people or what goes on inside our mind and we all have to work at it It's baby steps So let's take it back to those tiny steps because all mountains that are climbed don't happen without practice perseverance self belief and a fuck ton of work **Gay Shame** David M. Halperin, Valerie Traub, 2009 Ever since the 1969 Stonewall Riots gay pride has been the rallying cry of the gay rights movement and the political force behind the emergence of the field of lesbian and gay studies But has something been lost forgotten or buried beneath the drive to transform homosexuality from a perversion to a proud social identity Have the political requirements of gay pride repressed discussion of the more uncomfortable or undignified aspects of homosexuality Gay Shame seeks to lift this unofficial ban on the investigation of homosexuality and shame by presenting critical work from the most vibrant frontier in contemporary queer studies An esteemed list of contributors tackles a range of issues questions of emotion disreputable sexual histories dissident gender identities and embarrassing figures and moments in gay history as they explore the possibility of reclaiming shame as a new even productive way to examine lesbian and gay culture Accompanied by a DVD collection of films performances and archival imagery Gay Shame constitutes nothing less than a major redefinition and revitalization of the field *The Bright Side of Shame* Claude-Hélène Mayer, Elisabeth

Vanderheiden,2019-04-25 This book provides new ideas on how to work with and constructively transform shame on a theoretical and practical level and in various socio cultural contexts and professions It provides practical guidelines on dealing with shame on the basis of reflection counselling models exercises simulations specific psychotherapeutic approaches and auto didactical learning material so as to transform shame from a negatively experienced emotion into a mental health resource The book challenges theorists to adopt an interdisciplinary stance and to think outside the box Further it provides practitioners such as coaches counsellors therapists trainers and medical personnel with practical tools for transforming negative experiences and emotions In brief the book shows practitioners how to unlock the growth potential of individuals teams and organisations allowing them to develop constructively and positively **The Awkward Spaces of Fathering**

Stuart C. Aitken,2016-03-23 Societal notions of fathers have evolved from the distant breadwinner through genial dad and masculine role model to today s equal co parent This book seeks to explore the spaces and movements of men as fathers Weaving together theories of space sexuality and political identity with the stories of fathers from a range of sources including popular culture it discusses the way in which geographies of space can disconnect and disempower fathers while societal notions marginalize and disassociate them from raising children It explores how fathering identities are shaped by family and community spaces and aims to move the definition of fathering beyond its definition in opposition to mothering In doing so it provides insights into the contradictory nature of father s lives and argues that rather than moving away from the traditional notions of masculine roles that the emotional work of fathering in itself is an heroic act **No Shame for the**

**Sun** Shahla Haeri,2002-11-01 This groundbreaking work sheds new light on the status conflicts and social realities of educated Muslim women in Pakistan Six candid interviews introduce readers to a class of professional Muslim women that is rarely if ever acknowledged in the West These women tell of conflicts and compromises with family kin and community while facing violence archaic marriage rules and locally entrenched codes of conduct With brave eloquence they speak of human dignity and gender equality of economic deprivation and social justice and of feminism and fundamentalism Challenging stereotypes No Shame for the Sun reveals the uniqueness of each person and diversity in the life experience of Pakistani Muslim women including their world views and the struggles to change their society Through their struggles professional Pakistani women have become conscious of their own and other women s situations in their country Because they exercise power and authority in their chosen fields they risk losing their families support and antagonizing their communities Carefully detailed and meticulously researched this book offers a much needed perspective on the changing circumstances of Pakistani women along with a view of established patterns and structural constraints within Pakistan On a broader level it examines Western misconceptions regarding Islam a religion that crosses many borders and cultures Shame, Fame, and

the Technological Mentality Dustin Peone,2021-03-15 In Shame Fame and the Technological Mentality Dustin Peone interrogates the modern human condition Peone argues that shame and fear are constitutive of social order but that these

affects have been undermined by contemporary ideology This subversion has created a novel breed of shameless and fearless human beings with myriad social consequences Peone next demonstrates an associated change in the role of fame in society where once the desire for fame was tied to immortality through civic virtue this connection has eroded and fame is no longer connected to excellence Finally Peone analyzes the hegemonic role of technological thinking and its responsibility in accelerating these processes cautioning against the deification of technology In response to the technological mentality for navigating the modern world Peone argues instead for an ethics of prudence and a doctrine of humor

*Visualizing Violence in Francophone Cultures* Magali Compan, 2015-10-13 *Visualizing Violence in Francophone Cultures* brings together two complex and powerful loci of meaning violence and the visual As such it offers a comprehensive overview from which one can gain a better understanding of the complexity of the visual rhetoric of violence The visual representations of violence explored in this volume include both fictional works including for example narrative films graphic novels and theatre and non fictional genres such as news media and cultural artifacts This volume's strength is also grounded in its interdisciplinary approach by bringing together scholars from a variety of academic fields to examine a broad range of visual artifacts such as photography graphic novel films paintings objects the book offers a substantive corpus focusing on the rhetoric of violence The essays collected in this volume explore the ways in which visual expressions of violence have infiltrated diverse narrative forms and as such how they both construct and challenge general understandings of contemporary violence They all chart with cultural and historical specificity the way in which images of violence shape the visual imaginary of ethical worlds
